Re: Comment on Draft Environmental Impact Report, CitizenM Hollywood & Vine (ENV-2016-2846-EIR)

Dear Ms. Strelch, Ms. Webber, and Ms. Wolcott:

I am writing on behalf Supporters Alliance For Environmental Responsibility ("SAFER") regarding the Draft Environmental Impact Report ("DEIR") prepared for the Project known as CitizenM Hollywood & Vine (ENV-2016-2846-EIR), including all actions related or referring to the development of 73,440 square feet of new floor area comprising of a 240 guest room hotel, 2,742 square feet of guest amenities, 5,373 square feet of shared guest and public space, and five subterranean levels of parking located at 1718 N. Vine Street.

After reviewing the DEIR, we conclude that the DEIR fails as an informational document and fails to impose all feasible mitigation measures to reduce the Project's impacts. SAFER requests that the Department of City Planning address these shortcomings in a revised draft environmental impact report ("RDEIR") and recirculate the RDEIR prior to considering approvals for the Project. We reserve the right to supplement these comments during review of the Final EIR for the Project and at public hearings concerning the Project.

CIVIL ORDERS

JULY 4, 2014

Issued to All Members of the Domestic Police Forces, US Marshals Service, the Provost Marshal, Members of the American Bar Association and the American Armed Services.

These organic American states of the Union known as The United States of America (major) exercising plenary civil power upon the land hereby appoint General Carter F. Ham to lead and command The Grand Army of the Republic (GAR) and its successors under the guidance of the Joint Chiefs of Staff and with their full support.

Should it become necessary to suppress commercial mercenary forces operating under the guise of being federal government agencies including but not limited to the Department of Homeland Security, the Federal Emergency Management Administration, the Internal Revenue Service, the Bureau of Alcohol, Tobacco and Firearms, etc., General Ham shall assume immediate command and control of all armed forces and services owed to The United States of America (major) stationed in North America and shall join them under his Command as The Grand Army of the Republic. All forces of air, land, and sea are to be employed.

Any cost or loss suffered as a result of deployment of The Grand Army of the Republic shall be charged as stipulated prior.

All effort shall be made by The Grand Army of the Republic to spare life and property while undertaking any action whatsoever within the states of the Union without exception. The GAR is uniquely enabled by these Orders to operate on the land of the fifty (50) organic states for the purposes of securing the lives and property of the American States and American State Citizens. The GAR is not a foreign army and is composed primarily of American State Citizens.

If required to take field position, the local commanders shall make every effort to communicate the basis of their authority and the reasons for their presence on American State soil to ensure a prompt cessation of hostilities and a widespread understanding of the usurpations and acts of fraud which have led to any conflict. All parties must be brought to understand the nature of the federal government, the limitations of its authority, and their own obligation to act in favor of the organic states of the Union.

The Grand Army of the Republic shall continue to operate under General Order 100 known as the Lieber Code, extant from the pen of the last Republic President, Abraham Lincoln.

No orders, Executive or otherwise, issued by Barack H. Obama pretending authority on the land of the American States while operating as "President" of the UNITED STATES Corporation nor as the "President" of the United States of America (minor) are owed any performance by the Joint Chiefs of Staff, General Ham, or any Ordinary. All plainly stated grants of contractual authority evident in The Constitution for the united States of America remain in place, subject to good faith performance of the accompanying obligations and treaties.

Mr. Obama is the "President" of a governmental services corporation under contract to provide stipulated services to the organic states and is on their payroll. He otherwise acts as a foreign dignitary representing the United States of America (minor). In neither of these capacities is he allowed any granted authority to impose upon American State Citizens, endanger American State property, or command mercenary forces on American State soil — however veiled as federal civilian service agencies.

We require the Joint Chiefs of Staff and General Ham to commence measures to disarm federal civilian agency personnel and to seize control of the vast stockpiles of arms which have been improperly amassed by "the Department of Homeland Security", FEMA, and other agencies employed by the UNITED STATES.

The only federal agency allowed free egress on the land of the American States is the U.S. Marshals Service, and then only when their personnel are engaged in their duty to protect the U.S. Mail and sworn to act as constitutional officers. All other federal agency personnel are limited to unarmed service until further notice.

We direct the Joint Chiefs of Staff to communicate these first two General Civil Orders directly to Mr. Obama, the members of the "US Congress", the administrators of all "federal" agencies, the members of the "Supreme Court" and those acting as "Governors" to compel their rapid understanding and cooperation.

Any expense or damage incurred by these organic states or any American State Citizen as a result of actions undertaken by any federal agency personnel acting as armed mercenaries on American State soil will be understood as the result of violent **crimes** committed against the peaceful inhabitants of the land and will incur immediate judgment liquidating the assets of the International Monetary Fund (IMF) and the Federal Reserve (FEDERAL RESERVE) in payment of the stipulated reparations. Such crimes shall also be considered contract default increasing the public debt **subject to bounty**.

Any and all corporate officers of the UNITED STATES or any successor organization(s) inheriting "federal" service contracts who support, condone, or promote such crimes against the American States or against American State Citizens shall be subject to arrest and prosecution for commercial and violent crimes. All foreign officials operating as elected or appointed officials of the United States of America (minor) who support, condone, or promote such crimes against the American States or against American State Citizens shall be subject to arrest, confiscation of their assets, and deportation to Puerto Rico, Guam, or such other "states" as may be willing to receive them. Such "foreign officials" include members of the American and British Bar Associations who were licensed to act as privateers against the interests of the American States and the American State Citizens from 1845 to 2013 in flagrant Breach of Trust. All such licenses are now extinguished. Members of the Bar Associations are required to cease and desist assaults against the American States and American State Citizens and shall be subject to arrest, confiscation, and deportation otherwise.

Insomuch as corporate officers operating the United States of America, Incorporated, and the UNITED STATES have contrived under conditions of fraud and semantic deceit to re-venue the estates of the American States and living American State Citizens to the foreign jurisdiction of the United States of

America (minor) they are found guilty of capital crimes, including acts of fraud and treason committed between 1933 and 1945, and are condemned posthumously. Inasmuch as elected officials operating the United States of America (minor) have similarly committed war crimes against the American States and their peaceful inhabitants during the same time period, they stand condemned posthumously.

No enforcement upon any American State or American State Citizen is owed as a result of any "Act" of any "Congress" operating as the sovereign government of the United States of America (minor) nor as the Board of Directors or Board of Trustees of any incorporated entity whatsoever.

All those (E)states and ESTATES erroneously believed to represent the American States and American State Citizens and which were conveyed by fraud and legal deceit to the United States of America (minor) and more recently to the City-State of the United Nations, are re-venued without exception to the geographically defined American States and the American State Citizens where they shall remain in perpetuity as assets belonging to the rightful and lawful beneficiaries. All legal fiction entities however structured and named after the American States and American State Citizens are returned to them and their control, free and clear of any debt, promise, encumbrance or obligation alleged against them as a result of false claims made "in their behalf" by officers of the United States of America, Inc. and the UNITED STATES, INC. or by any foreign officials operating the United States of America (minor), or the United Nations City State falsely claiming to "represent" them or have jurisdiction over them.

We note that the current circumstance is in part the result of criminal acts engaged in 150 years ago, which resulted in the **commercial** enslavement of African Americans who were summarily claimed as chattels backing "US government" debt in the wake of the Civil War. Despite every act of abolition and declaration of prohibition against both peonage and slavery, it has been the policy of the "US government" to enslave its citizens and to operate as a rogue state among the nations of the world. Instead of freeing African Americans the sum total result of the Civil War was to vastly expand **public sector** ownership of slaves, giving rise to the outrageous and improper claims that have been made against the American States and the American State Citizens that we are dealing with today. It is uniquely fitting that The Grand Army of the Republic is recalled to settle this circumstance in favor of the people.

The **right** to act comes with the **responsibility** to act!

This book is an adaptation of an email I received from my friend — Anna von Reitz — that included five pdf documents which supplemented her email with information that every red blooded American should know.

I accepted Anna's offer to get hard copies of this information into the hands of Americans.

I find it much to my advantage to have hard copy information to highlight and read without sitting at a computer for hours on end.

I hope you will find this hard copy presentation an advantage as well.

Federal Question¹⁰ Jurisdiction: All CORPORATE tribunals lack personam, territorial political and therefore subject matter jurisdiction claims (Article III Section 2 Clause 1). All CORPORATE actors are products of the Foreign Agent Registration Act of 1938. The amounts in controversy are gold backed lawful money in excess of \$100 quadrillion (\$100,000,000,000,000,000) pursuant to Article 1, Section 10, Clause 1 that reads: "make any Thing but gold and silver Coin a Tender in Payment of Debts". All CORPORATE employees of all CORPORATE court venues are required to take the oath (5 U.S. Code § 3331 - Oath of office) and they are foreign entities (8 U.S. Code § 1481); the International Organization Immunities Act relinquished every public office of the United States to the United Nations December 9, 1945. The foreign private for-profit MUNICIPAL, COUNTY, OR STATE corporate agency pseudo COURTS lack jurisdiction to hear any case under the FOREIGN STATE Definitions (28 U.S. Code § 1603) under the Foreign Sovereign Immunities Act (FSIA). Each and all Aboriginal Indigenous Moorish Americans are non-domestic, non-resident, non-subject and non-commercial; Moorish American Nationals are not CORPORATE entities and are not registered with any SECRETARY OF STATE as a CORPORATION. All CORPORATE tribunals fail to disclose that the administrative fictional plaintiffs are CORPORATIONS and are deceptively appointed as Trustees over all matters dealing with any issue involving the ALL CAPITALIZED **WARDSHIP NAME**¹¹

⁸ **Jus Sanguinis** – Citizenship is not determined by one's place born, but having a parent(s) (by blood) who are Citizens of the Nation, **Jus sanuinis** rights are mandated by international treaty with citizenship definitions imposed by the international community.

⁹ **American:** n. an Aboriginal or one of the various copper-colored natives found on the American Continent by the Europeans; the original application of the name. Webster's 1828 American Dictionary of the English language and 1936. Webster's unabridged 20th century dictionary. "Some examples will now be cited from the Americas to illustrate the use of 'negro' and 'black' in English as applied to people of American ancestry." Jack D. Forbes: Africans and Native Americans, Chp.3. Negro, Black and Moor p. 85 ¶ 3.

¹⁰ **Federal Question.** Cases arising under Constitution of United States, Acts of Congress, or treaties, and involving their interpretation and application, and of which jurisdiction is given to federal courts, are commonly described as involving a "federal question." *McAllister v. St. Louis Merchants' Bridge Terminal Ry. Co.*, 324 Mo. 1005, 25 S.W.2d 791, 792. Black's Law Dictionary rev. 4th ed. p. 740 (1968)

¹¹ **WARDSHIP NAME**, n. One who holds legal but not lawful title for another; a straw man. *Hegstad v. Wysiecki*, 178 App.Div. 733, 165 N.Y.S. 898, 900. Space 61/2 feet in width between street railroad tracks. *Schroeder v. Pittsburgh Rys. Co.*, 311 Pa. 398, 165 A. 733.

WARDSHIP NAME, adj. Sham; make-believe; pretended; imitation. *U. S. v. Warn*, D.C.Idaho, 295 F. 328, 330. As respects basis for predicated liability on parent corporation for acts of subsidiary, "agency," "adjunct," "branch," "instrumentality," "WARDSHIP NAME,"

"buffer," and "tool" all mean very much the same thing. *owendahl v. Baltimore & O. R. Co.*, 287 N.Y.S. 62, 74, 247 App.Div. 14

WARDSHIP NAME DIRECTOR. One to whom (usually) a single share of stock in a corporation is transferred for the purpose of qualifying him as a director of the corporation, in which he has no real or active interest. *Ashby v. /strawman name, and fictional construct of all NAMES IN ALL CAPITAL LETTERS to defraud the living Man; as to **joinder**¹² and own in the commission of and involuntary servitude because the WARSHIP NAME strawman is not a living flesh and blood man which is an action under the jurisdiction of the STATE OF EMERGENCY CLAUSE; Public Law 1, 48 stat C1.

International Crimes of Fraud and Treason: It is a fact that the Amendatory Act April 20, 1933 under Executive Command 6111 and as defined in the Banking Emergency Act under Public Law 1, 48 stat, C1 has defined the nonliving WARSHIP NAME/PROPERTY and the people of the land as "enemies of the STATE" under the Amended Trading with the Enemy Act (1933) under Title 50 Chapter 3 / Public Law 40, stat L 411 as "enemies of their own country." From these facts, any alleged "PLAINTIFF" and "DEFENDANT" being addressed by CORPORATE pseudo courts is not a living Divine, Natural Being which is the most basic identity as one of the living people unlawfully and unconscionably converted to that of a CORPORATION by fraud and deception.

The very presence of the Living Aboriginal Indigenous Being in a CORPORATE court is evidence of crimes against humanity and war crimes by the operators of all CORPORATE pseudo courts. The alleged PLAINTIFF in all CORPORATE courts are NOT living, nor a real injured party, yet CORPORATE courts proceed as if crimes against the STATE were committed which is evidence that the chattel property that is the WARSHIP NAMES/STRAWMAN are being charged as an "enemy of the state" under "war crimes". The Living Divine Natural Aboriginal Indigenous Beings is being constantly hunted down, persecuted without crime by said foreign private for-profit CORPORATE entities, and denied due process of de jure Islamic Moslem and Supreme Law of the land.

This removal is pursuant to International Diversity of Nationality and currently on file for the record of the United States Supreme Court as precedence for all Moorish American Nationals #: 1616598-E and in the office of the prosecutor's investigation unit of the International Criminal Court for aforementioned crimes against humanity, systemic genocide, and war crimes. Additionally, the National Human Trafficking Hotline (1-888-373-7888) Case #328400 is the case number for all 350 million Moorish American Nationals at North America whether they be declared or undeclared.

¹² **Joinder.** Joining or coupling together; uniting two or more constituents or elements in one; uniting with another person in some legal step or proceeding; union; concurrence. Black's Law Dictionary rev. 4th ed. p. 971 (1968)
