ALL:

This is the calendar from the Lake Balboa Neighborhood Council as shown. This is a copy/paste and "The Board of GHSNC" neglected to remove theirs & put your letterhead on top of theirs? Footers are also from Lake Balboa Neighborhood Council as shown in the screenshot—you can't really miss the lake Balboa logo can you?.

As calendar posting vary from each board or does this event calendar stand for everyone?

Please clarify, thank you! I in believe copy and paste as your friend, but this is a little ridiculous! Sloppy (and another violation)

Just one of the reasons I have requested formal clarification of Webmaster status & awaiting a reply. Vet don't Regret as Ms. Waters has so wisely said to the NCs'

Formally
