I would like to request speed bumps to be install on [359 E 62nd Los Angeles CA](#) between Avalon and San Pedro car are driving much to fast down this street this morning a car hit my daughter car as she was pulling out the driveway as she was taking the children to school this is a on going problem When the counsel out looking for vote ask I told them this was a problem and we need speed bumps cars have hit parked car so I am writing now praying that this problem will be address I will keep writing until we get speed bump on 62nd street thank you. I am going to start a petition and ask neighbors to also email

Julia
