Hello,

I am reporting a **violation of 'Section 56.11'** of the Los Angeles Municipal Code,' at [1313 N VINE ST, 90028](#). Section 8 indicates a '*Ban on Erection of Tent during Certain Daytime Hours*' and that "*No Person shall erect, configure or construct Tent in any Public Area from 6:00 am. to 9:00 pm*". However, at this location ([1313 N VINE ST, 90028](#)) there is a row of 10+ tents that are erected 24hrs a day in a public area. I look forward to having the city act on enforcing the Daytime Hours to have individuals adhere to the daytime rules to..."*take down, folded, put away or deconstructed by 6:00 am. of each day.*"

Sincerely,
Victoria
