StopBCHD.com ([StopBCHD@gmail.com](mailto:StopBCHD@gmail.com)) is a Neighborhood Quality-of-Life Community concerned about the quality-of-life, health, and economic damages that BCHDs 110-foot above the street, 800,000 sqft commercial development will inflict for the next 50-100 years. Our neighborhoods have been burdened since 1960 by the failed South Bay Hospital project and have not received the benefit of the voter-approved acute care public hospital since 1984. Yet we still suffer 100% of the damages and we will suffer 100% of the damages of BCHDs proposal.
