Dear Council members,

I was given all your emails by a DWP employee, and I was told that many DWP employees agree with Mr. DeLeon but are too afraid to speak up.

I ask Kevin DeLeon not to resign, unless his CD #14 constituents want to recall him. It does not matter what outside agitators say. They are from fringe, radical organizations, probably fundraising off DeLeon's name.

I was sickened when that deranged stalker, **Jason Reedy**, attacked Mr. DeLeon at a children's Toy Drive in Lincoln Park. Is it ok to physically assault Councilmembers now? Even getting in someone's face with your hands up looks like an assault. I hope he didn't have Covid. The Council should provide Mr. DeLeon with 24-hour security, due to stalking and harassment.

The meeting on Tuesday (12/13) was a clown show. The radical protesters were unhinged and hysterically screaming like their mothers had been murdered.

I was appalled that the Council president did not put a stop to these disruptions immediately. I ask Councilmembers to take a tip from the **LOS ANGELES BOARD OF SUPERVISORS** meetings. They never allow violent disruptors at their meetings like the Los Angeles Council does. The old BLM man who was yelling and standing on the Council benches would have been kicked out immediately from an L.A. Board of Supervisors meeting. They don't even allow that conduct at Dodgers Stadium!

The real voters are at home or working and shaking their heads in disbelief over the media frenzy. The protesters are mad because DeLeon compared Bonin's kid to a luxury handbag? But Jill Biden

compared Latinos to "breakfast tacos" and there was no uproar. Karen Bass made anti-Latino comments in October 2022, but there was little to no backlash to her anti-Latino comments. **Finally, this message is to Mr. Krekorian. Stop asking Mr. DeLeon to leave every time he attends a meeting. He is an elected official just like you! Please stop trying to appease the violent mob.**

Sincerely yours,  
W. Aguirre
