## Has “Homosexual” always been in the Bible?

**THE WORD *ARSENOKOITAI* SHOWS UP IN TWO DIFFERENT VERSES IN THE BIBLE, BUT IT WAS NOT TRANSLATED TO MEAN *HOMOSEXUAL* UNTIL 1946.**

**WE GOT TO SIT DOWN WITH ED OXFORD AT HIS HOME IN LONG BEACH, CALIFORNIA AND TALK ABOUT THIS QUESTION.**

**YOU HAVE BEEN PART OF A RESEARCH TEAM THAT IS SEEKING TO UNDERSTAND HOW THE DECISION WAS MADE TO PUT THE WORD *HOMOSEXUAL* IN THE BIBLE. IS THAT TRUE?**

Ed: Yes. It first showed up in the RSV translation. So before figuring out why they decided to use that word in the RSV translation (which is outlined in my upcoming book with Kathy Baldock, *Forging a Sacred Weapon: How the Bible Became Anti-Gay*) I wanted to see how other cultures and translations treated the same verses when they were translated during the Reformation 500 years ago. So I started collecting old Bibles in French, German, Irish, Gaelic, Czechoslovakian, Polish... you name it. Now I've got most European major languages that I've collected over time. Anyway, I had a German friend come back to town and I asked if he could help me with some passages in one of my German Bibles from the 1800s. So we went to Leviticus 18:22 and he's translating it for me word for word. In the English where it says "Man shall not lie with man, for it is an abomination," the German version says "Man shall not lie with young boys as he does with a woman, for it is an abomination." I said, "What?! Are you sure?" He said, "Yes!" Then we went to Leviticus 20:13— same thing, "Young boys." So we went to 1 Corinthians to see how they translated *arsenokoitai* (original Greek word) and instead of homosexuals it said, "Boy molesters will not inherit the kingdom of God."

I then grabbed my facsimile copy of Martin Luther's original German translation from 1534. My friend is reading through it for me and he says, "Ed, this says the same thing!" They use the word *knabenschander*. *Knaben* is boy, *schander* is molester. This word "boy molesters" for the most part carried through the next several centuries of German Bible translations. *Knabenschander* is also in 1 Timothy 1:10. So the interesting thing is, I asked if they ever changed the word *arsenokoitai* to homosexual in modern translations. So my friend found it and told me, "The first time homosexual appears in a German translation is 1983." To me that was a little suspect because of what was happening in culture in the 1970s. Also because the Germans were the ones who created the word *homosexual* in 1862, they had all the history, research, and understanding to change it if they saw fit; however, they did not change it until 1983. If anyone was going to put the word homosexual in the Bible, the Germans should have been the first to do it!

As I was talking with my friend I said, "I wonder why not until 1983? Was their influence from America?". So we had our German connection look into it again and it turns out that the company, Biblica, who owns the NIV version, paid for this 1983 German version. Thus it was Americans who paid for it! In 1983 Germany didn't have enough of a Christian population to warrant the cost of a new Bible translation, because it's not cheap. So an American company paid for it and influenced the decision, resulting in the word homosexual entering the German Bible for the first time in history. So, I say, I think there is a "gay agenda" after all!

I also have a 1674 Swedish translation and an 1830 Norwegian translation of the Bible. I asked one of my friends, who was attending Fuller seminary and is fluent in both Swedish and Norwegian, to look at these verses for me. So we met at a coffee shop in Pasadena with my old Bibles (She didn't really know why I was asking). Just like reading an old English Bible, it's not easy to read. The letters are a little bit funky, the spelling is a little bit different. So she's going through it carefully, and then her face comes up, "Do you know what this says?!"

and I said, "No! That's why you are here!" She said, "It says boy abusers, boy molesters". It turns out that the ancient world condoned and encouraged a system whereby young boys (8-12 years old) were coupled by older men. Ancient Greek documents show us how even parents utilized this abusive system to help their sons advance in society. So for most of history, most translations thought these verses were obviously referring to pederasty, not homosexuality!

So then I started thinking that of 4 of the 6 clobber passages, all these nations and translations were referring to pederasty, and not what we would call homosexuality today.

My Ref: AU12-2020

Good Evening Surrey Police

You recently sent me The Crime Reference Number of 45200021533. However this E-mail forms a separate Crime Report.

I most politely thank you in advance for taking The Time to carefully review this Crime Report.

**CRIME REPORT:**

**Discrimination against Sexual Orientation is a Hate Offence under The Equality Act 2010.**

I, Zephyr, am Gay; I love Sex with Men. Hehehehehe.

Recently 'A pastoral statement from the House of Bishops of the Church of England' was released. The poorly written and vexatious Statement is dated December 2019. The poorly written and vexatious Statement is viewable via this Link of The Church Of England Website:

[www.churchofengland.org/sites/default/files/2020-01/Civil%20Partnerships%20-%20Pastoral%20Guidance%202019%20%282%29.pdf](http://www.churchofengland.org/sites/default/files/2020-01/Civil%20Partnerships%20-%20Pastoral%20Guidance%202019%20%282%29.pdf)

Point 7 of the poorly written and vexatious Statement contains the following [QUOTE:] 'Marriage, defined as a faithful, committed, permanent and legally sanctioned relationship between a man and a woman making a public commitment to each other, is central to the stability and health of human society.' [END QUOTE].

It is absolutely clear that Point 7 is discriminatory against Homosexual People. It is discriminatory against me.

**Discrimination against Sexual Orientation is a Hate Offence under The Equality Act 2010.**

# **God severely punishes Individuals who discriminate against Homosexual People.**

I would like you to generate a Crime Reference Number for this Report by no later than Sunday 1st March 2020 at 23:00HRS GMT.

I look forward to this Crime Report being acted on properly.

**END**
