Dear Members of the Public Works and Gang Reduction Committee.

Regarding Council File # [03-1459-S2](#) which you will hear in committee on Monday, December 14th. Please amend this Motion from three trees to one tree. As someone who lives behind a property that had a single huge 70+ year-old protected Sycamore Tree illegally removed from a backyard. let me say that *every single protected tree* should have this same protection... not just if it's 3 or more protected trees.

Sincerely,

Barry Johnson
