

ORDINANCE NO. 177614

An ordinance amending Section 64.30, the Industrial Waste Control Ordinance, of the Los Angeles Municipal Code relative to the regulation of food service establishments.

**THE PEOPLE OF THE CITY OF LOS ANGELES
DO ORDAIN AS FOLLOWS:**

Section 1. Subparagraph (1) of Paragraph (b) of Subdivision 1 of Subsection C of Section 64.30 of the Los Angeles Municipal Code is amended to read:

(1) The name and address of the applicant;

Sec. 2. Subparagraph (1) of Paragraph (c) of Subdivision 1 of Subsection C of Section 64.30 of the Los Angeles Municipal Code is amended to read:

(1) An FSE that does not potentially generate waste FOG during food preparation processes, and does not significantly affect the POTW, as determined by the Director, provided that the FSE has implemented and demonstrates compliance with BMP requirements as specified in the Rules and Regulations;

Sec. 3. Paragraph I of Subdivision 1 of Subsection C of Section 64.30 of the Los Angeles Municipal Code is amended to read:

(I) Food Service Establishment (FSE) Requirements. All FSEs must implement and demonstrate compliance with Best Management Practices (BMP) requirements as specified in the Board's Rules and Regulations.

FSEs that are required to maintain an Industrial Wastewater Permit are also required to install, operate, and maintain an approved type and adequately sized, remotely located and readily accessible, grease interceptor, unless a conditional waiver is granted by the Director.

All FSEs to be newly constructed are subject to grease interceptor requirements and shall not qualify for a conditional waiver unless exempt as specified in Section C 1 (c)(1). Existing FSEs with planned modifications having a building permit valuation of \$100,000 or more are also subject to grease interceptor requirements and shall not qualify for a conditional waiver unless exempt as specified in Section C 1 (c)(1).

Additional regulations regarding FSEs are specified in the Board's Rules and Regulations. All food service establishments are required to comply with these Rules and Regulations.

(1) **Grease Interceptor Specifications.** All grease interceptors must meet the specifications as set forth in Sections 94.1014.0 through 94.1017.3 of the City of Los Angeles Plumbing Code.

(2) **Conditional Waiver from Grease Interceptor Installation Requirements.** Under the sole discretion of the Director, an FSE determined to have no immediate adverse impact on the POTW may be granted a conditional waiver from grease interceptor installation requirements. The Director may, at any time, revoke this conditional waiver and require the FSE to install a grease interceptor.

(3) **Variance to Allow Alternative Grease Removal Devices.** If an FSE can demonstrate that installation of a grease interceptor is not feasible due to space constraints or other considerations, the Director may issue a variance from grease interceptor requirements and authorize the installation of alternative grease removal devices. Alternative grease removal devices include, but are not limited to, devices that are used to trap, separate and hold grease from wastewater and prevent it from being discharged into the POTW. All alternative grease removal devices must be approved by the Director, on a case-by-case basis. The FSE must also demonstrate that BMPs have been implemented.

Sec. 4. The City Clerk shall certify to the passage of this ordinance and have it published in accordance with Council policy, either in a daily newspaper circulated in the City of Los Angeles or by posting for ten days in three public places in the City of Los Angeles: one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall; one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall East; and one copy on the bulletin board located at the Temple Street entrance to the Los Angeles County Hall of Records.

I hereby certify that this ordinance was passed by the Council of the City of Los Angeles, at its meeting of MAY 19 2006.

FRANK MARTINEZ, City Clerk

DECLARATION OF POSTING ORDINANCE

I, MARIA C. RICO, state as follows: I am, and was at all times hereinafter mentioned, a resident of the State of California, over the age of eighteen years, and a Deputy City Clerk of the City of Los Angeles, California.

Ordinance No. 177614 - Amending Section 63.40, the Industrial Waste Control Ordinance, of the Los Angeles Municipal Code relative to the regulation of food service establishments - a copy of which is hereto attached, was finally adopted by the Los Angeles City Council on May 19, 2006, and under the direction of said City Council and the City Clerk, pursuant to Section 251 of the Charter of the City of Los Angeles and Ordinance No. 172959, on June 9, 2006, I posted a true copy of said ordinance at each of three public places located in the City of Los Angeles, California, as follows: 1) one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall; 2) one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall East; 3) one copy on the bulletin board located at the Temple Street entrance to the Hall of Records of the County of Los Angeles.

Copies of said ordinance were posted conspicuously beginning on June 9, 2006 and will be continuously posted for ten or more days.

I declare under penalty of perjury that the foregoing is true and correct.

Signed this 9th day of June 2006 at Los Angeles, California.

Maria C. Rico, Deputy City Clerk

Ordinance Effective Date: July 19, 2006 Council File No. 03-2094
