PUBLIC WORKS COMMITTEE REPORT relative to revising the boundaries of the area designated as Toluca Terrace to include 200 feet south of Chandler Boulevard on the north, Magnolia Boulevard to the south, Clybourn Avenue on the east, and Cahuenga Boulevard on the west.

Recommendations for Council action, pursuant to Motion (LaBonge - Greuel):

1. REQUEST the Department of Public Works to revise the boundaries of Toluca Terrace to the streets mentioned above and to implement the designation of said area with the revised boundaries.
2. INSTRUCT THE Los Angeles Department of Transportation (LADOT) to design signs with a blue background with white text and a City logo to identify said area.
3. DIRECT the LADOT to install said signs at appropriate locations to identify Toluca Terrace.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

SUMMARY

The Motion (LaBonge - Greuel) states that the Motion adopted by Council on March 9, 2005 to implement the designation of Toluca Terrace contained incorrect boundary limits. This Motion correctly identifies the boundaries of said area.

At a regular meeting held on June 10, 2005, the Public Works Committee recommended that Council approve the recommendations as contained in Motion (LaBonge - Greuel). This matter is now submitted to Council for its consideration.

Respectfully submitted,

MOTION

PUBLIC WORKS
MAY 13 2005

On March 9, 2005, the Public Works committee adopted the Motion to authorize the Department of Public Works to implement the designation of "Toluca Terrace" and to instruct the Department of Transportation to design, fabricate, and install signs at the appropriate locations.

Unfortunately, due to an error incorrect boundaries were specified in the Motion. The correct boundaries are: 200 feet south of Chandler Boulevard on the northern border, Magnolia Boulevard on the southern border, Clybourn Avenue (City of Burbank) on the eastern border, and Cahuenga Boulevard on the western border.

I THEREFORE MOVE that the area be revised to include: 200 feet South of Chandler Boulevard on the northern border, Magnolia Boulevard on the southern border, Clybourn Avenue (City of Burbank) on the eastern border, and Cahuenga Boulevard on the western border.

I FURTHER MOVE that the Department of Public Works be directed to implement the designation of "**Toluca Terrace**" with the revised boundaries.

I FURTHER MOVE that the Department of Transportation be instructed to design and install signs at the appropriate locations in order to identify "**Toluca Terrace**."

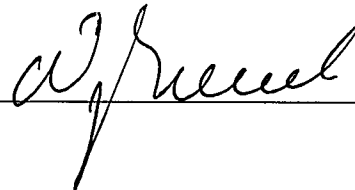

I FURTHER MOVE that Department of Transportation be instructed to install signs with a blue background with white text and a City logo at the top of the locations in order to identify "**Toluca Terrace**."

PUBLIC WORKS COMMITTEE REPORT relative to making a new City designation of the "Toluca Terrace" Neighborhood.

Recommendations for Council action, pursuant to Motion (LaBonge - Greuel):

1. DESIGNATE the area bounded by Cahuenga Boulevard on the west, Magnolia Boulevard on the south, the City of Burbank border on the east, and Chandler Boulevard on the north as Toluca Terrace.
2. DIRECT the Department of Public Works to implement the designation of Toluca Terrace.
3. INSTRUCT the Los Angeles Department of Transportation to design and install signs with a blue background with white text and a City logo to identify Toluca Terrace.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

SUMMARY

Motion (LaBonge - Greuel) states that the Toluca Terrace designation has been in use since 1989 on an informal basis. On June 15, 2004, the Greater Toluca Lake Neighborhood Council approved the request to designate the area bounded by Cahuenga Boulevard on the west, Magnolia Boulevard on the south, the City of Burbank border on the east, and Chandler Boulevard on the north as Toluca Terrace. The homeowners of said area request an official designation by the City.

At a special meeting held on February 11, 2005, the Public Works Committee approved the recommendations contained in the Motion. This matter is now submitted to Council for its consideration.

MOTION

Our diverse City is comprised of a variety of communities and neighborhoods. In recognition of this diversity the City occasionally designates a certain geographic area with a name based upon historical significance, location and other unique characteristics. Within Council District Four, there is an area that has come to be known as "**Toluca Terrace**."

The *Toluca Terrace* designation has been in use since at least 1989, when local homeowners in the area north of Magnolia and east of Cahuenga started assembling to improve the quality of their neighborhood. They adopted the name of Toluca Terrace for their area and organized themselves under two names – the Toluca Terrace Community Action Committee and the Toluca Terrace Woods Homeowners Association.

The residents and stakeholders in this area have indicated a strong desire for an official "**Toluca Terrace**" designation by the City of Los Angeles. The Greater Toluca Lake Neighborhood Council on June 15, 2004 officially approved the request for the new designation.

In order to proceed with this designation, action is needed to approve it and to direct the Department of Public Works (Bureau of Engineering) and Department of Transportation to provide the necessary resources to implement the Designation for the "**Toluca Terrace**" neighborhood.

I THEREFORE MOVE that the area bounded by Cahuenga Boulevard on the west, Magnolia Boulevard on the south, the Burbank border on the east, and Chandler Blvd. on the north be officially designated as "**Toluca Terrace**."

FURTHER MOVE that the Department of Public Works be directed to implement the designation of "**Toluca Terrace**."

FURTHER MOVE that the Department of Transportation be instructed to design and install signs at the appropriate locations in order to identify "**Toluca Terrace**."

FURTHER MOVE that Department of Transportation be instructed to install signs with a blue background with white text and a City logo at the top at the locations in order to identify "**Toluca Terrace**."
