

MOTION

PUBLIC WORKS
MAY 13 2005

On March 9, 2005, the Public Works committee adopted the Motion to authorize the Department of Public Works to implement the designation of "Toluca Terrace" and to instruct the Department of Transportation to design, fabricate, and install signs at the appropriate locations.

Unfortunately, due to an error incorrect boundaries were specified in the Motion. The correct boundaries are: 200 feet south of Chandler Boulevard on the northern border, Magnolia Boulevard on the southern border, Clybourn Avenue (City of Burbank) on the eastern border, and Cahuenga Boulevard on the western border.

I THEREFORE MOVE that the area be revised to include: 200 feet South of Chandler Boulevard on the northern border, Magnolia Boulevard on the southern border, Clybourn Avenue (City of Burbank) on the eastern border, and Cahuenga Boulevard on the western border.

I FURTHER MOVE that the Department of Public Works be directed to implement the designation of "**Toluca Terrace**" with the revised boundaries.

I FURTHER MOVE that the Department of Transportation be instructed to design and install signs at the appropriate locations in order to identify "**Toluca Terrace**."

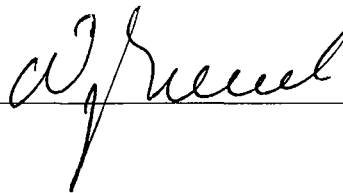

I FURTHER MOVE that Department of Transportation be instructed to install signs with a blue background with white text and a City logo at the top of the locations in order to identify "**Toluca Terrace**."
