i. "Other" Concerns

- Consider revising the definition of "STAKEHOLDER"
- Consider better describing and/or redefining the NC's role as "advisors" to L.A. City Government Agencies
- Consider better describing and/or redefining the "independence" of NCs from undue influence, restraint and repercussions from other City Agencies.
- Evaluate successful and unsuccessful NC outreach methods.
- Evaluate successful and unsuccessful NC Meetings Management.
- The nature and objectives of the Congress of Neighborhood meetings (Charter Article IX, Section 901(c))
- Other Concerns as recommended by the Mayor, City Council and the 912 Commission, itself.

3. The Commission should solicit, receive, file and use submissions of experiences, opinions and recommendations from, at the very least, all NCs (certified, decertified and "in-formation") as well as every City & non-City Entity named above.

4. The Commission should schedule, notice and hold Meetings throughout the 7 NC Regions of L.A. in order to elicit the greatest possible participation of all interested parties.

5. Drafts of the final findings and recommended Charter change(s) should be prepared and submitted to the City Council by April 30, 2007 to allow for Public Comment, final review, revision and approval before June 30, 2007.
