

**MOTION**

JAN 20 2006

On March 5, 2002, under Council File No. 01-1459, the City Council adopted new procedures for processing street vacations, which require the adoption of a Rule 16 motion to initiate street vacation proceedings. Under these new procedures, when a petitioner submits an application and a fee deposit to the Bureau of Engineering, the Chair of the Public Works Committee is required to introduce a motion for the purposes of assigning a Council File Number and initiating the investigation of the vacation.

Plaza La Reina, L.P., owner of the property legally described as Lots 1, 2, and 3 of Tract 10600, has submitted an application for a vacation located in Council District 5. The petitioners have also submitted a fee deposit to cover the cost of processing the vacation proceedings.

Additionally, the adoption of the following recommendations does not constitute or imply approval of the vacation.

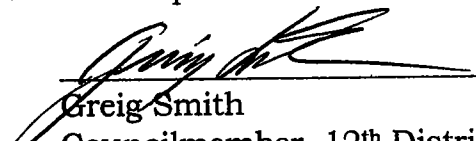

I THEREFORE MOVE that upon adoption of this motion, street vacation proceedings to vacate the subsurface of the alley southerly of Lindbrook Drive from approximately 200 feet easterly of Glendon Avenue to 130 feet easterly thereof, be initiated pursuant to California Streets and Highways Code, Division 9, Part 3, Public Streets, Highways and Service Easements Vacation Law.

I FURTHER MOVE that the Bureau of Engineering be directed to investigate the feasibility of this vacation request.

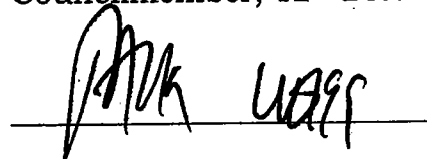

I FURTHER MOVE that the Bureau of Engineering present its report regarding the feasibility of vacating the requested area to the Public Works Committee.

I FURTHER MOVE that upon review of the Public Works Committee, the City Clerk be directed to schedule this request for the City Council's consideration at the appropriate time under the City's Street Vacation procedures.
