City Hall  
200 North Spring Street, Room 395  
Los Angeles, CA 90012

TO WHOM IT MAY CONCERN:

Metro supports this vacation request because it will improve traffic, enhance safety, and reduce litter/illegal dumping in the Wilmington area.

There have been no improvements along this section of McFarland Avenue and it continues to decline. Calls to the CD15 office for cleanup of dumped items have become routine.

We were a co-sponsor of the original vacation request along with Potential.
