

**MOTION**

The Office of Council District 3 has received requests to sell Mobile Data Terminals (MDTs) to various police departments throughout California. MDTs are computerized devices used in emergency vehicles to communicate with a central dispatch office. The City has recently declared 148 MDTs surplus items that will fulfill the request of these organizations. In an effort to support the public safety needs of fellow law enforcement agencies, the City should sell 148 surplus MDTs to the following organizations for the below market sale price of \$1.00 per organization:

1. California State Parks Angeles District, Malibu Sector	20
2. Rio Vista Police Department	30
3. Auburn Police Department	50
4. Solano County Administration Center	15
5. Stockton Unified School District Police Department	15
6. Baldwin Park School Police Department	<u>18</u>
	148 total MDTs

Based upon the criteria established in Los Angeles Administrative Code Section 22.547, the abovementioned organizations are eligible to receive this donation and there are no other unfilled requests waiting ahead of these organizations for this type of equipment.

I THEREFORE MOVE that the City Council:

1. Authorize the sale of 148 surplus Mobile Data Terminals to the aforementioned organizations for \$1.00 per organization, and that the City Council find this sale and transfer of surplus equipment fulfills a humanitarian purpose.
2. Request the City Attorney to expedite preparation of the appropriate documents to effectuate the sale and transfer of the above identified surplus equipment at below market value to the aforementioned organizations.
3. Instruct the City Clerk to inform the following organizations that the Mobile Data Terminals must be claimed within 60 days from the date of Council approval of the request, at which time it will revert to the City's surplus equipment pool for disposal by the Department of General Services:
  - California State Parks Angeles District, Malibu Sector (James Valdez, 9000 W. PCH, Malibu, CA 90265 (530) 227-7848)
