SUMMARY

Motion (LaBonge - Garcetti) requested a report from the Los Angeles Department of Transportation (LADOT), the Department of City Planning, the Los Angeles County Metropolitan Transit Authority, and Caltrans on the City's bikeway infrastructure and proposals to increase biking opportunities as a viable transportation option. At a special meeting held on November 21, 2008, the Transportation Committee considered Motion (LaBonge - Garcetti). Representatives from the LADOT and the Department of City Planning gave the Committee background information on the matter. An opportunity for public comment was held. Afterwards, the Committee moved to receive and file Motion (LaBonge - Garcetti) inasmuch as departments reported to the Transportation Committee and no Council action is necessary. This matter is now forwarded to the Council for its consideration.

Respectfully submitted,
