EDUCATION & NEIGHBORHOODS

Motion

I MOVE, that the matter of the application filed and dated June 18, 2007, relative to renaming the community of MacArthur Park / Westlake-Pico Union to Central American Historic District, including various departmental reports thereon, as recorded under Council File 07-1971, which expired per Council policy, be re-activated and that the matter be restored to its most recent legislative status as of the date of File's expiration.

I FURTHER MOVE, that upon re-activation of the above described matter, the Education and Neighborhoods Committee consider the adoption of the report entitled "*Honoring and celebrating the heritage of Central Americans in Los Angeles*" which would create the Central American Cultural District (CACD) the purpose of which is to highlight and celebrate the cultural and historic contributions of the Central American community in Los Angeles.
