SUBJECT: Hollywood Signage Supplemental Use District (HSSUD) Final Draft Ordinance, with Amendments, Council File Number 07-2858-S1.

Dear Ms Lattimore,

On Tuesday, August 24, 2010, the Greater Griffith Park Neighborhood Council (GGPNC) sent you a letter asking that our Community Impact Statement (CIS) pertaining to sign regulations, dated April 16, 2009 be applied to Council File Number 07-2858-S1.

On Tuesday September 21, 2010, the GGPNC voted by consensus to send a second CIS on this matter and we ask that it also be applied to this file. This is item number 5 on the City Council's agenda for Tuesday September 28, 2010.

Thank you. If you have any questions or comments, please contact the GGPNC Board President or Secretary.

Sincerely,

Ron Ostrow  
President, Greater Griffith park Neighborhood Council

Re: Council File 07-2858-S1

The GGPNC reaffirms its opposition to supergraphic signs. In addition, we urge the City Council to retain the sign reduction program. In the event an entity erects different signage than permitted, then the permit should be revoked and the entity and signage should be deemed illegal and subject to the appropriate fines and penalties. Finally, the City Planning Commission should see all proposed signage before any permit is issued.
