LAUREN SHULER DONNER

-Biography-

In the past two decades, Lauren Shuler Donner has established herself as one of the most successful and versatile producers in Hollywood. Her producing skill has enabled her to partner with top directorial talents including Nora Ephron, Oliver Stone, Bryan Singer, Richard Donner, Joel Schumacher, Ivan Reitman and John Hughes. To date, her films have grossed two and a half billion dollars worldwide. She was recognized for her body of work in 2001 by Premiere Magazine with the Producer Icon Award, and was recognized by Daily Variety with a Billion Dollar Producer Special Issue. In June 2006 she received the prestigious Crystal Award from Women In Film along with other honorees Jennifer Lopez, Dianne Warren and Geena Davis.
She and her husband, Richard were honored by The American Cancer Society in June of 2006. They will be honored this May by Lupus LA.

Shuler Donner is having a particularly prolific year with four highly-anticipated films upcoming. Currently shooting is "X Men Origins: Wolverine," starring Hugh Jackman, which is the next chapter in the successful "X Men" film franchise produced by Shuler Donner. The film is directed by Gavin Hood and is shooting in New Zealand and Australia. 20th Century Fox will release the film in May 2009.

Production recently wrapped on "The Secret Life of Bees" for Fox Searchlight, which is written and directed by Gina Prince-Bythewood and starring Queen Latifah, Dakota Fanning, Jennifer Hudson, Alicia Keys, Sophie Okonedo and Paul Bettany.

"The Secret Life of Bees" is an adaptation of the best selling novel, which Lauren has been shepherding for the past 6 years. Production has also wrapped on DreamWorks' "Hotel for Dogs" which stars Emma Roberts and is based on the 1971 children's book of the same name. The project is Thor Freudenthal's feature directorial debut. The film is scheduled for release on January 23, 2009. Also upcoming is "Cirque du Freak," a Universal film written by Paul Weitz who will also direct the adaptation of the bestselling young adult's book series by Darren Shan.

In 2000, Shuler Donner began a new franchise with "X Men", and followed up in 2003 with "X2". The film was released by Twentieth Century Fox on May 2nd and broke box office records with an opening weekend total of $86 million dollars nationwide. Not only did the film gross $406 million dollars internationally, it is also the only sequel of 2003 to receive critical acclaim as well. "X3- The Last Stand" was released in May, 2006 and a month later it was on its way to the half billion dollar mark for domestic and international box office.

Shuler Donner was bound for success from the beginning, as the first feature film she produced was the smash hit comedy, "Mr. Mom," which was one of the top ten grossing films that year. She then went on to produce "Ladyhawke," starring Matthew Broderick, Michelle Pfeiffer and Rutger Hauer. Shuler Donner was responsible for two of the most popular "Brat Pack" movies of the '80's, "St. Elmo's Fire" and "Pretty in Pink," both of which garnered platinum records for their soundtracks.

In the early '90's, Shuler Donner produced the box office smash hits, "Dave" and "Free Willy," which were two of the top ten films of 1993. The critically acclaimed "Dave" was nominated for both an Academy Award (Best Original Screenplay) and a Golden Globe (Best Picture-Comedy). In the '90's Shuler Donner's producer credits include "You've Got Mail", "Any Given Sunday", "Radio Flyer", "3 Fugitives", and the sequel to "Free Willy." As head of The Donners' Company, she has executive produced "Volcano", "Bulworth", "Just Married " and "Semi-Pro". Shuler Donner's other recent productions were "Timeline" with Paul Walker and Gerard Butler, "Constantine" with Keanu Reeves and Rachel Weisz, "She's The Man" with Amanda Bynes and "Unaccompanied Minors" with Lewis Black and Tyler James Williams.

Shuler Donner is a dedicated philanthropist who thrives on giving back to the community. She was on the Board of Directors for Hollygrove Children's Home until it merged with EMQ in 2006. She has been on the Advisory Board of Women in Film, the Advisory Boards of TreePeople and Planned Parenthood and the Executive Committee of the Producer's Branch of the Academy of Motion Picture Arts and Sciences. She is serving currently on the Advisory Board of the Science Fiction Museum and Hall of Fame, the Advisory Board of the Natural Resources Defense Council, and the Board of Directors for the Producers Guild of America.

Shuler Donner resides in Los Angeles with her husband, director Richard Donner.
