Att: Ms. Gail Goldberg  
200 North Spring St.

**COMMUNITY IMPACT STATEMENT**

The Encino Neighborhood Council (ENC) supports the Interim Control Ordinance (ICO) to halt the conversion of digital billboards CF-08-2617.

We object to the intense illumination and movement of these digital billboards and believe they will result in significant negative impacts on the community and create a traffic hazard to motorists distracted by such signage.

Thank you for your consideration.

Sincerely,

ROB GLUSHON  
President
