Item Number: Referred to IT & Govt. Affairs

Brief Summary: Arroyo Seco Neighborhood Council supports this resolution insofar as it opposes as impractical and too costly any I-710 completion underneath ASNC communities, contained primarily in Caltrans Zones 1 & 2. As good neighbors in the City NC system, ASNC defers to the LA32 Council (El Sereno), regarding any construction there. Within our city, their area would bear the major portion of potential negative effects from a freeway tunnel beneath Zone 3.

Additional Information: [Board minutes for this timely action advancing to committee, are being prepared and will be uploaded shortly]. The 2002 City-certified ASNC incorporates the Northeast Los Angeles communities of Montecito Heights, Sycamore Grove, Mount Washington, Monterey Hills, and Hermon as represented primarily by CDs 1 and 14, respectively.
