OFFICE OF FINANCE
BLUE BOOK ITEM 17 – ADDITIONAL SALARIES ALLOCATION

The Office of Finance (Finance) would like to thank the City Council for the allocation of an additional \$500,000 to be used at the department's discretion during fiscal year 2009-10. Finance will utilize this funding to mitigate the budget gap in our salaries account resulting from our 10% Shared Responsibility and Sacrifice.

The \$500,000 equates to about seven revenue-producing positions that we will be able to retain in the FY 2009-10 Budget. Retaining the seven positions will lessen the likelihood of a revenue loss to the City's established General Fund revenue base. On average these positions generates \$400,000 annually.

Thank you for your continued consideration and support. Should you have any questions or require additional information, please contact me at (213) 978-1774.

Sincerely,

A handwritten signature in black ink that reads "Antoinette Christovale".
