SUBJECT: **PLANNING AND LAND USE FEES (LAMC 19.01 TO 19.10 AND LAMC 19.12); ANNUAL INFLATION ADJUSTMENT UPDATE TO FEE SCHEDULE TO TAKE EFFECT ON JULY 1, 2024**

In accordance with Ordinance No. 188063, adopted on December 5, 2023 with an effective date of February 10, 2024, Section 19.00 E. of the Los Angeles Municipal Code (LAMC) provides for an annual inflation adjustment, beginning on July 1, 2024, for the fees listed in LAMC Sections 19.01 through 19.10 and Section 19.12.

Enclosed herein are the calculated inflation adjustment fees of 3.5%, which have been determined based on the Consumer Price Index for Urban Consumers (CPI-U) in the Los Angeles area, based on an average for the 12-month period ending in December 2023.

This revised schedule serves to define the fee amounts, as approved by Ordinance 187,237, as the base fees to which the initial annual inflation adjustment shall be applied. The column labeled "CPI Adjusted Fee" displays the most recent year-over-year change with CPI-U. This updated fee schedule, incorporating the CPI-adjusted fee amounts, will take effect on **July 1, 2024**, in accordance with Ordinance 188063, and will supersede any subsequent annual CPI adjustments, except as otherwise superseded by a subsequently amended fee ordinance.
