**Comments for Public Posting:** Re No. 09-0969 S3 The Comstock Hills Homeowners Association Board unanimously opposes the proposal by the City's Chief Administrative Office (Rich Llewellyn) to raise the fee for citizens or community groups such as HOAs to file an appeal of any City land use (or Building and Safety decision). The current cost is \$89, and the proposal is to raise it to \$16,000. This highly punitive increase is an outrage and clearly prohibits the majority of stakeholders in the City from having any meaningful access to land use appeal process.
