Comments for Public Posting: OPPOSE raise of appeals fee from \$89 to \$16,000. This is a joke, right? OPPOSE this outrageous attempt to quash all public appeal of planning decisions.

Comments for Public Posting: On 2/24/21, the City's Chief Administrative Officer (Rich Llewellyn), apparently with the support of the Mayor and Planning Department, filed a report and recommendation to raise appeal fees payable by any homeowner, neighbor or person other than the developer from the current fee of \$89 to a new fee of \$16,000. I oppose this egregious change that is grossly unfair to homeowners, neighbors and any other person who wants to appeal.
