Impact Information

Date: 03/30/2016

Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 09-2645

Agenda Date:

Item Number:

Summary: As part of a discussion about the spread of cell phone antennas into residential areas testimony was given as to the need for the City's AGF ordinance to be amended to ensure that all future installations be at least 500 feet from each other, regardless of which company is petitioning. The Board agreed and also asks that whenever possible, antennas from different cell phone providers be co-located so as to prevent aesthetic blight and needless duplication of services.
