Attn: Adam Lid adam.lid@lacity.org

Re: Council File No. 09-2645.

Please file the following position statement from the Sunland-Tujunga
Neighborhood Council in CF 09-2645.

The Board of Sunland-Tujunga Neighborhood Council respectfully requests that:

1. With the City attorney's guidance and consistent with his recommendations, the City enact a comprehensive new ordinance with clear and consistent standards and procedures regulating all wireless telecommunications facilities in the City, authorizing regulation of aesthetics and providing protection to communities and residential neighborhoods to the full extent of the law.
2. The City immediately impose a moratorium on all wireless telecommunications facility installations in the public right of way in the City and/or applications for approval of such installations in the City until such time that effective regulation of aesthetics and provisions protecting residential neighborhoods are in place.

The above recommendation voted on by the STNC's Land Use Committee meeting at their meeting held on February 1, 2010 and the full STNC Board on February 10, 2010.

The STNC looks forward to support of this request and working with the City Departments and City Council as it moves forward.

Sincerely,
Dan McManus, President
Sunland-Tujunga Neighborhood Council

Cc: Councilman Krekorian
Councilman Rosendahl
Councilman Huizar
Councilman Alarcon
Councilman Smith
