Please stop putting up Cell phone towers in Tujunga!

Not now or ever or hide them behind a cross or make them into a fake tree not on private or public or in industrial or residential areas!

Please stop making Tujunga a dumping ground for cell phone towers and billboards.

I received notice of the meeting way too late!

Did anyone show a photo of the tower at Summitrose and Las Lunitas-that is a crime scene-what would you do if you lived there or had to drive by everyday?

Thank you,
Kris greblo
