Dear Mr. White,

Please add my name to the list of persons supporting the increase in both cat and dog limits from three to five per household. Especially in difficult times like these, I truly believe that people will take in more animals if the law allows it. I'm sure that animals won't complain about sharing a family if their alternative is an overcrowded shelter, or God forbid, euthanasia. I am ready to open my door to more if L.A. give me the word.

Thank you for your support!
