Subject: dog and cat limits in los angeles
To: John.White@lacity.org

Dear Mr. White,

I would like to add my vote for raising the dog and cat limits that people can have in their homes in Los Angeles from three to five each (five dogs, five cats).

I also wondered where we stood on getting the laws amended. Is it apt to happen in the first quarter of 2011?

Thanks so much,

Marion Wells
