RE: CF 10-0982 (Animal-limit increase)  
Opposition To Increase In Pets Per Household

Dear Hon. Paul Koretz:

The South Carthay Neighborhood Association ("SCNA") has been active in promoting the well being of the neighborhood since 1980. Its hundreds of members include the owners and residents in the area bounded by Olympic Blvd to the north, Pico Blvd to the south, La Cienega to the West, and Crescent Heights to the East.

While the SCNA recognizes the good intent behind the proposed increase from three (3) dogs and three (3) cats to five (5) dogs and five (5) cats per household, the SCNA opposes it. Our members believe that the increase will lead to increased noise and prove detrimental for the animals. Please understand that a high percentage of our members own pets and/or are involved in animal rescue, so they have a good deal of experience with the proper care and maintenance of animals. As a result, we must oppose the proposed increase.

Sincerely,

Brad S. Kane, Esq.

President

South Carthay Neighborhood Association
