MOTION

I MOVE that the Council Action of 6-28-05, relative to the closure of certain streets in the Western Heights neighborhood of Council District 10, (Motion - Ludlow-Parks, CF 05-1279) BE AMENDED to adopt the following technical provisions in order to implement the intent of that action:

1. That the Council hereby RESOLVE to close, pursuant to California Vehicle Code Section 21101(a)(2), the following streets in the Western Heights neighborhood, at the following intersections: (1) 20th Street at Manhattan Place (full closure on eastern side of intersection), (2) 20th Street at Arlington (partial closure on eastern side of intersection), and (3) 21st Street at Arlington (partial closure on eastern side of intersection), subject to the conditions contained in the original Council Action; and
2. Reaffirm and readopt the findings in the original Council Action that the above referenced closure is being made as a means of abating significant incidence of crime as well as unsafe driving behavior and an unsafe volume of traffic; and
3. Find that the above-referenced closures likely would result in a reduced rate of crime; and
4. Find that this action is similar to a minor vacation and is categorically exempt under Article 7, Class 5(3), of the Los Angeles City guidelines for implementation of the California Environmental Quality Act (CEQA).
