Re: CF [11-0584](#) - Community Name Change for Woodley Hill Section of North Hills From North Hills to Northridge

Mitch Englander
Board Member
Los Angeles City Council
Los Angeles, CA

Dear Mr. Englander,

This letter is to support the request by the residents of the Woodley Hill area of North Hills to change the name of their neighborhood to Northridge. They are a small community of approximately 400 homes with around 1,300 residents. They are directly adjacent to Northridge and the residents more closely identify with Northridge. They want to change their community name from North Hills to Northridge. This change does not affect the NHWNC or any of the surrounding NC. The name change does not affect or change the boundaries of any NC. No new street signs are needed. The existing Northridge signs on Lassen and Plummer Streets just need to be moved to the western corners of Woodley Ave.

Best regards,

James F. Moorcroft
