LETTER OF SUPPORT

Re: CF 11- 0584 – Community Name Change for Woodley Hill Section of North Hills from North Hills to Northridge

To Whom It May Concern:

This letter is in support of the request by the residents of the **Woodley Hill area of North Hills** to change the name of their neighborhood to **Northridge**.

This small community of approximately 400 homes and 1300 residents is directly adjacent to Northridge and residents most closely identify with Northridge. This distinctive localized neighborhood has spoken in writing by petition and they must therefore be allowed to change their community name from North Hills to **Northridge**.

The name change will not affect the North Hills West Neighborhood Council, or any of the surrounding Neighborhood Councils, inasmuch as the granting of the name change to Northridge does not affect or change the boundaries of any neighborhood council.

Similarly, no new street signs are needed. The existing Northridge signs on Lassen and Plummer Streets simply need to be moved to the western corners of Woodley Avenue.

I urge you to support and vote for the requested name change to **Northridge**.

Yours truly,

Ernie Hilger
