Council Members,

Please Please Please Reject the Arts/Parks Committee's recommendation today and send this back to the Recreation and Parks Commission for a re-do of a flawed and incomplete staff report. Support CM Huizar/Reyes' position!

It is imperative that the city's oldest museum is not forgotten! We have a short history in Los Angeles and often times even shorter memories. Let's change that starting with the Southwest Museum!

Sincerely,

Louisa Van Leer

We, the people listed below, Home Depot Employees, Customers and Vendors would like to implore all addressees and any other interested, invested or decision making entities to support Councilmembers Huizar and Reyes in their attempt to save the city's first Museum and the Casa De Adobe. Many of us were born, raised, work, and are still living in the area; we would like to see our children and many other generations be able to enjoy both the cultural and historic resources and encourage expansion both on and off sites. Also, we would like to see the existing location of the Southwest Indian Museum remain in its present location in Mount Washington. Please insure that Autry is not allowed to violate the Northeast Los Angeles Community Plan any longer. The Autry should be held accountable for the many issues and questionable actions already taken, Thank you for giving us this opportunity to lend the Councilmembers our support. Items 11-0084 and 11-0928.

I reject the Arts/Parks Committee's recommendation from today's hearing. We must send this back to the Recreation and Parks Commission for a re-do of a flawed and incomplete staff report. I, along with many other concerned citizens, support CM Huizar/Reyes' position!
