TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED

#55

MOTION for Tuesday 5/31/11

At its meeting of May 20, 2011 the Board of Recreation and Park Commissioners acted to approve "the proposed renovations of existing exhibit in the galleria, and outdoor area and restrooms at the Autry National Center's Museum of the American West," as described in the Summary of the General Manager's Report No. 11-129 and depicted in Exhibit A to that Report.

Legitimate concerns have been raised as to the nature of this Board action. And notwithstanding the ultimate decision in this matter the public is entitled to a full airing of this issue and to ample opportunity to express their views.

For the above reasons, the Council should assert jurisdiction over the above referenced Recreation and Park Commission Board action.

I THEREFORE MOVE that pursuant to Section 245 of the Los Angeles City Charter, the City Council assert jurisdiction over the May 20, 2011 Board of Recreation and Park Commissioners action to approve the proposed renovations of existing exhibit in the galleria, and outdoor area and restrooms at the Autry National Center's Museum of the American West, as described in the Summary of the General Manager's Report No. 11-129 and depicted in Exhibit A to that Report.

I FURTHER MOVE that upon assertion of jurisdiction, the matter be referred to Committee for further review.
