(COUNCIL ASSERTED JURISDICTION ON MAY 31, 2011)

SUMMARY

Pursuant to Los Angeles City Charter Section 245, on May 31, 2011, the City Council asserted jurisdiction over the May 20, 2011 Board action to approve the "proposed renovations of existing exhibit in the gallery, and outdoor area and restrooms at the Autry National Center's Museum of the American West," as described in the Summary of the Department of Recreation and Park's General manager's Report No. 11-129.

At special meetings held on June 3, 2011 and June 20, 2001, the Arts, Parks, Health and Aging Committee considered it should recommend that Council veto the Board's action or sustain it.

After providing an opportunity for extensive public comment, the majority of the Committee (in a vote of two to one) recommended that Council sustain the Board's action of May 20, 2011 authorizing and approving the proposed renovations at the Autry National Center's American Museum of the West. This matter is now submitted to Council for its consideration.

Respectfully submitted,
