

MOTION

I HEREBY MOVE that Council APPROVE the following recommendation (Item #40, Council file 11-1015) relative to the Photo Red Light program:

INSTRUCT the Department of Transportation to determine the appropriate changes to yellow and red light camera timings to improve safety at all intersections currently controlled by red light cameras, plus all the intersections that are dangerous but weren't included because of the two per Council district limitation, to be analyzed for appropriate changes in signal timing on yellow and red intersections.
