Council File No: 11-1020-S3

Comments for Public Posting: I spy with my little eye: one attempt at a power grab by the ever inept Raquel Beltran. I spy with my little eye: a move that will have the unintended effect of uniting neighborhood councils across regions and political divides. I spy with my little eye: more emotion than sense. I spy with my little eye: a move that will make Neighborhood council members urge their neighbors to vote out incumbents. One shouldn't have to resort to a children's nursery rhyme, but I want to make it crystal clear that this is a bad idea that will have ramifications far beyond this council file.
