Re: Community Impact Statement in Support of CF 11-1531

To the Honorable City Councilmember's:

The SLNC hereby urges the Los Angeles City Council to institute an ordinance which: bans the use of single-use plastic bags in the City, phases out paper bags after two years, and requires stores to charge at least ten cents for paper bags in the interim. In tough economic times, as the city government is asked to do more with less, we accept our civic duty to bring our own reusable bags when we shop.

Sincerely,

Rusty Millar
Secretary, Silver Lake Neighborhood Council
