**Comments for Public Posting:** I've tried to post here before and for some reason it never goes through -- but hope springs eternal -- so I'm going to try yet again. It seems like only pro one way street are posting. Anyway, I am very much against this ill conceived proposal. As a resident, this is the only way to avoid the misery that is Hyperion at rush hour. If this is about outsmarting waze, let's put our energy into that rather than creating a mess on the hill.
