**RE: Proposed Vacation of Oriole Way Case VACE1400910**

Mr. Wong

I am writing to let you know I am supportive of the applicant's request deleting the required condition for street lighting (#11) on the proposed vacation of Oriole Way, case VACE1400910, Council File Number 12-0306. This request was also previously shared in email correspondence with you on August 7, 2019 by my staff.

Please forward this letter to any relevant staff of any city agencies and share to the case record, in advance of Wednesday's Public Works and Gang Reduction Committee discussion of this item. I want to note that this request was also communicated to residents in the area who find the deletion compatible with their goal to preserve night skies in their hillsides.

I appreciate your response on behalf of myself, my staff and the community we serve. If you have any questions, please reach out to my Director of Planning, Emma Howard, at [emma.howard@lacity.org](mailto:emma.howard@lacity.org) or my Legislative Deputy Andrew Suh at [Andrew.suh@lacity.org](mailto:Andrew.suh@lacity.org).

Sincerely,

David E. Ryu
