To whom it may concern:

A portion of my property at 9100 Oriole Way runs a bit East along the South edge of of that portion of Oriole Way which is being proposed to become

in effect a "private street". I would have no objection to this proposal as long as the Western border of the proposed private street starts at the Eastern end of my property (which is bordered by an iron fence). Unfortunately, I cannot attend the meeting of the City Council's Public Works and Gang Reduction Committee on Wednesday, October 18th and I have not yet seen a drawing of the proposed "Vacation of Oriole Way..etc". I hope you will consider my request.

Thank you,

Mike Stoller
