**COMMENTS**

The Information Technology Agency (ITA) requests authority to execute a contract with Verizon, California Incorporated (Verizon) to continue to provide telecommunications services through its Centranet system to various small City facilities. The proposed contract compensation is not to exceed \$7.5 million over a term of five years effective February 10, 2012 through February 9, 2017. The first year of compensation is not to exceed \$1,490,194 and this amount is included in the 2011-12 Adopted Budget within ITA's Communication Services account.

As the Incumbent Local Exchange Carrier (ILEC) for portions of the City, Verizon owns the physical infrastructure within those specific geographic areas. ILECs are regulated by the State of California's Public Utilities Commission (PUC). The total quantity of telephone lines served by the proposed contract is 1,611, but this amount may change throughout the term of the contract depending on the City's telephone line needs. The current telephone numbers subject to the pricing within this contract are listed within Attachment 1 to Exhibit A and Attachment 1 to Exhibit B of the proposed contract. The City has executed contracts with Verizon for these telecommunications services since 2000, and also has an existing contract with AT&T California (C-112988), which provides its Centrex telephone and data services to additional City facilities that are located outside of Verizon's service area.

		
MAF Analyst 1120014c	Assistant CAO	City Administrative Officer

In November 2010, ITA released a Request for Proposals (RFP) for similar telephone and data line services specifically for the City's libraries. The Library Department can take advantage of the Federal E-Rate program, which provides schools and libraries discount rates on various telecommunication services. ITA received only two responses to the E-Rate RFP and determined that Verizon was the only responsive bidder, as the other bidder proposed services out of the scope of the RFP. Verizon's proposal was also the least expensive. As Verizon owns the telecommunications infrastructure within its proprietary service area, any other telecommunications company must make payments to Verizon to connect to the City's facilities within Verizon's service area, and therefore cannot compete with the pricing offered by Verizon. ITA executed contract C-118657 with Verizon in March 2011 to provide Library E-rate services.

Verizon has agreed to extend the discounted E-Rate pricing to the City for the remaining, non-library City facilities under the proposed contract. The proposed contract price, therefore, is \$3.65 per month per telephone line plus usage charges at \$0.0114 for the initial 18 seconds of a call and \$0.0038 for each additional six seconds. This contract pricing represents a reduction from the previous Verizon pricing structure for these services, which were provided at a rate of \$8.50 per month per line plus usage charges of \$0.0162 for the initial 18 seconds of a call and \$0.0054 for each additional six seconds. The previous contract expired on February 9, 2012. Since the City has existing contract C-118657 with Verizon for Library E-Rate services, Verizon has further agreed to extend the E-rate pricing structure to the City until the new contract is executed.

The City Attorney has approved the use of a sole source contract with Verizon. Verizon was the only responsive bidder for similar telephone services through the E-Rate RFP and is providing the telecommunications utility service within its proprietary service area as designated by the PUC. It is therefore likely that other service providers will have a higher cost because they have to utilize Verizon's infrastructure. The estimated cost of the proposed contract is \$1.5 million per year for the five-year term of the contract, for a total of \$7.5 million. However, payments will be made pursuant to invoices for actual costs incurred. The proposed contract cost is based on actual prior-year spending for this service, which was \$1.49 million in 2010-11, \$1.55 million in 2009-10, and \$1.57 million in 2008-09. The 2011-12 Adopted Budget includes an appropriation of \$1,490,194 in ITA's Communication Services account for this service, and the proposed contract limits the City's total obligation to make payments to Verizon in the first year of the contract to this amount. Since budgeted funds are available for the first year of the proposed contract and future annual payments are subject to future appropriation, approval of the contract complies with the City's Financial Policies.

Charter Section 1022 does not apply as the proposed contract is with a regulated public utility and there is no defined labor component. Verizon has complied with all applicable City contracting requirements. The Good Faith Effort Outreach requirement also does not apply to this contract because ITA did not complete a competitive process. The City Attorney has determined that the standard provisions for City personal services contracts are not required for this contract due to the nature of the public utility service being procured. The City Risk Manager has approved the alternate indemnification language included within the proposed contract. In accordance with Los Angeles Administrative Code Section 10.5(a), Council approval of the proposed contract is required because the proposed contract exceeds three years in term.

## **RECOMMENDATION**

That the Council, subject to the approval of the Mayor, approve and authorize the General Manager of the Information Technology Agency to execute a personal services contract with Verizon California, Incorporated for the provision of telecommunications services for a term of five years effective February 10, 2012 through February 9, 2017 with total compensation not to exceed \$7.5 million; subject to the approval of the City Attorney.

## **FISCAL IMPACT STATEMENT**

The proposed telecommunication services contract with Verizon California, Incorporated has a term of five years and total compensation not to exceed \$7.5 million. First-year funding for the proposed contract in the amount of \$1.49 million is included within the Information Technology Agency's 2011-12 Adopted Budget Communication Services account. Remaining contract expenditures will be subject to future annual appropriations within the Adopted Budget. Since budgeted funds are available for the first year of the proposed contract and future payments are subject to future appropriation, the recommendation of this report complies with the City's Financial Policies.

Subject: **REQUEST FOR PERSONAL SERVICES CONTRACT -  
TELECOMMUNICATIONS SERVICES, VERIZON TERRITORY**

Dear Mayor Villaraigosa:

In accordance with Executive Directive No. 3, attached for your review and approval is a personal services contract for Telecommunications services for all of the offices and departments of the City of Los Angeles in the Verizon territory (service area). The Information Technology Agency (ITA) is requesting approval to sign a five-year contract with Verizon to replace the existing contract, C-115144, which will expire February 9, 2012.

**Background**

Verizon, the incumbent Local Exchange Carrier in the Verizon territory (service area), has been providing IntraLATA toll service, DSL, DS3, Centranet, T1 services, ADN, frame relay, voice mail and other related telecom services to City offices and departments. In 2000, the Department of General Services (GSD) established a contract with Verizon for the City's Centranet services within Verizon franchise service territory at the request of ITA (Contract #57551). ITA has since taken over the administration of these services through contract C-109584 (from 2006 – 2009), and currently through contract C-115144 (2009 – present) because GSD determined that the contract was for the provision of telephone services, and not equipment, supplies, parts or other materials.

The Local Exchange Carrier has the advantage in a given area because they own and control the existing physical infrastructure (access facilities, equipment, wiring etc). Any other potential service provider, if they were to provide the same service in the Verizon service territory would encounter technical limitations that would prohibit them from providing telephone service to the entire Verizon service area. Additionally, these providers would need to add "mileage charge" to locations that they could service, thus making them less competitive.

2011 NOV 21 AM 8:18  
CITY ADMINISTRATIVE OFFICER

Centranet service has been around for over twenty years. Verizon has reduced the cost by over 50%, and is willing to extend the same E-rate discount pricing to all City departments. The decrease in pricing, and the fact that there are more communication options available for local telephone services has been a major factor in low RFP response as companies are not finding it worth the investment to bid on Centranet type service.

Since this contract is with a public utility/telecommunications provider, and there is no labor component within this contract, the Personnel Department responded that the Charter Section 1022 determination process was not required.

The Good Faith Effort outreach requirement was not performed as there are no opportunities for sub-contracting for this utility service.

The term of this contract will be for five (5) years, commencing February 10, 2012 and ending February 9, 2017.

The draft contract will be reviewed by the City Attorney as to form.

The following documents submitted by the vendor have been approved:

The Affirmative Action Plan, Equal Benefits Ordinance and Slavery Disclosure Ordinance has been electronically uploaded in BAVN and verified by the Office of Contract Compliance on 11/8/11.

The Contractor Responsibility Questionnaire has been filed and verification by the Authorized DAA Representative in Public Works was received by ITA on 9/13/11.

The Bidder Certification CEC form 50 has been completed by the vendor (9/2/11).

The Office of Contract Compliance has stated that the First Source Hiring Ordinance does not apply as there is no labor component to this contract, no service or product purchased or produced.

Vendor's General, Auto and Workers' Compensation liability certificates are good thru 6/30/12 (CA No. 163809).

The headquarters address and workforce information is as follows:

One Verizon Way  
Basking Ridge NJ 07920

% of Workforce Residing in the City: less than 1%

The vendor possesses a valid Business Tax Registration Certificate.

Honorable Antonio R. Villaraigosa

Page 3 of 3

**Fiscal Impact**

The City's obligation for the duration of this Contract shall not exceed \$6,800,000 (Six Million Eight Hundred Thousand dollars).

This funding is included in the Communications Services Account (9350) of the Information Technology Agency's 2011-12 fiscal year budget.

If a replacement contract is not in effect as of February 10, 2012, the services are required to transition to tariff rates which are approximately 35% higher than contract rate, or discontinue the services if they are not covered by the vendor's tariff in accordance with the California Public Utilities Commission regulation.

**Recommendation**

That the General Manager of the Information Technology Agency or her designee be authorized to execute a contract with Verizon Business to continue existing service without disruption.

Please contact Laura Ito, Director of Finance and Administration at 978-3322 with any questions.

Respectfully Submitted,

Randi Levin  
General Manager

### CUSTOMER SPECIFIC ARRANGEMENT (Intrastate Detariffed Services – California)

Routing Code: 5V

Customer Name: City of Los Angeles	Main Billing Tel. No: 310
Address: 200 North Main Street, Rm 1400, Los Angeles, CA 90012	Agreement No.

**Services.** Customer hereby requests and agrees to purchase from the Verizon company(ies) identified in the applicable Exhibit(s) ("Verizon") the services, at the Customer locations identified in Exhibits A and B attached to this Agreement, and in any Addendum expressly made a part hereof, (the "Services") pursuant to this Agreement and Verizon's applicable ILEC Product Guide, for the service period stated in the Exhibit or Addendum applicable to such Service (the "Service Period"). This Agreement and any Exhibit hereto shall become effective when executed by an authorized Verizon representative and an authorized representative of Customer (the "Effective Date"). Under no circumstances may Customer resell the Services being provided under the rates, terms and conditions of this Agreement. Each Verizon entity contracting under this Agreement is responsible only for the performance of the Services it is providing as set out in each Exhibit hereto and is not responsible for the performance of any other entity's obligations under this Agreement.

**Customer Consent to Use of Customer Proprietary Network Information (CPNI).** Verizon acknowledges that it has a duty, and Customer has a right, under federal and/or state law to protect the confidentiality of Customer's CPNI. CPNI includes information relating to the quantity, technical configuration, type, destination, location, and amount of use of the telecommunications and interconnected voice over Internet Protocol services Customer purchases from Verizon, as well as related local and toll billing information, made available to Verizon solely by virtue of Customer's relationship with Verizon. With Customer consent, Verizon may share Customer CPNI and other Confidential Information among its affiliates, including Verizon Wireless, and with agents and partners, so that all may use this information to offer Customer the full range of products and services offered by Verizon and its affiliates, including local, long distance, wireless, and Internet services (see [www.verizon.com](http://www.verizon.com) for a description of Verizon companies and services). By signing this Agreement, Customer consents to Verizon using and disclosing Customer CPNI as described above. Customer may refuse CPNI consent by signing this Agreement and by notifying Verizon in writing at [cpni-notices@verizonwireless.com](mailto:cpni-notices@verizonwireless.com) and [cpni-notices@verizonbusiness.com](mailto:cpni-notices@verizonbusiness.com) of Customer's decision to withhold Customer's consent. Customer's consent or refusal to consent will remain valid until Customer otherwise advises Verizon, and in either case, will not affect Verizon's provision of service to Customer.

**ILEC Product Guide.** Verizon's provision of the Services hereunder shall be governed by Verizon's Incumbent Local Exchange Carrier Product Guide (located at <http://www.verizon.com/tariffs>) ("ILEC Product Guide") and this Agreement. The ILEC Product Guide is incorporated into the Agreement by this reference. In the event of a conflict between the terms and conditions of the ILEC Product Guide and this Agreement, the terms and conditions of this Agreement shall prevail. With respect to the documents of the Agreement, the terms and conditions of the Service Exhibit shall have the highest order of precedence. Verizon may modify the ILEC Product Guide at any time and such modifications will become binding on Customer as further described below. To the extent such changes are material (and other than changes related to governmental charges or any applicable taxes), Verizon shall notify Customer of such changes via a bill insert, as a message on Customer's bill, in a separate mailing, by email or by

any other reasonable method at Verizon's discretion. Such changes will become effective no sooner than thirty (30) days after such notice is provided. In the event such changes materially and adversely affect Customer, Customer may terminate the affected Service without the application of termination liability by providing Verizon immediate written notice of Customer's request to terminate, unless within (30) thirty days after receipt of Customer's termination notice Verizon agrees to revise the change in such a manner as to remove the material adverse effect on Customer. Customer shall remain responsible for the payment for Services rendered until the effective date of the termination. Customer's continued use of the Service after the material change becomes effective constitutes Customer's acceptance of the change.

**Customer Responsibilities.** Customer agrees to provide Verizon with any access and support necessary for the implementation, maintenance and provision of the Services requested hereunder. Customer is responsible for taking all steps necessary to interconnect the Services at Customer's location(s) including ensuring proper interconnection with the facilities and equipment provided by Verizon, paying all costs associated with interconnection, securing any necessary licenses, right of ways and permits and providing proper space, electrical power, heating, ventilation and cooling. Verizon shall not be liable for any damages or losses caused by the failure of equipment, inside wire or other facilities provided by Customer or a third party, and Customer shall be liable if such facilities cause damage to Verizon, its network, customers, equipment and/or Verizon's providers. Customer is solely responsible for the selection, implementation and maintenance of security features for protection against unauthorized or fraudulent use of the Service(s) and Verizon shall have no liability therefore.

**Charges and Payment.** Customer will pay the rates and charges set forth in the attached Exhibit(s) and in any Addendum made a part hereof, which shall be fixed during the Service Period, and shall also pay all applicable taxes, fees, and other applicable charges, including Federal End User Common Line Charges, charged pursuant to applicable law or regulations in connection with the Services. Taxes, fees and/or surcharges are subject to change without notice to Customer, except as may be required by law. Except as otherwise provided in the Agreement, if Customer cancels or terminates this Agreement or any Services prior to expiration of the Service Period, Customer will promptly pay to Verizon termination charges as set forth in the applicable Exhibit(s) and Addendum(a).

Verizon shall invoice Customer monthly and payment will be due Net 30 days from the invoice date. Undisputed charges paid after the due date may be subject to late payment charges as set out in the ILEC Product Guide until Customer's account is current. Any back billing limitations otherwise applicable to the Services pursuant to the ILEC Product Guide shall not apply to the Services under this Agreement.

**Unauthorized Use.** Verizon shall not be liable for any damages, including charges for Services that Customer may incur as a result of the unauthorized use or misuse of the Services by Customer, Customer's employees, third parties or other members of the public. Customer shall remain responsible for such charges.

**Indemnification.** Customer agrees to defend, indemnify and hold Verizon, its employees, affiliates and agents, harmless from any and all losses, claims, demands, expenses (including reasonable attorney's fees), or any liability whatsoever, arising from any use of the Services by Customer or by person or entity permitted by Customer to use the Services, including without limitation, liability resulting from the content of communication such as defamation, fraud or invasion of privacy, or any combination of the Services with other products or services not provided by Verizon, any modification of the Services or any infringement of intellectual property.

**Warranty Disclaimer.** EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THE ILEC PRODUCT GUIDE, VERIZON DISCLAIMS ANY AND ALL REPRESENTATIONS AND WARRANTIES, EXPRESS, IMPLIED OR ARISING BY COURSE OF PERFORMANCE, DEALING, CUSTOM OR TRADE USAGE, INCLUDING BUT NOT LIMITED TO THE IMPLIED

WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE (EVEN IF VERIZON KNEW OR SHOULD HAVE KNOWN SUCH PURPOSE) AND NON-INFRINGEMENT. CUSTOMER AGREES THAT THE SERVICES PROVIDED HEREUNDER ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. VERIZON DOES NOT WARRANT THAT THE SERVICES WILL MEET CUSTOMER'S NEEDS, OR WILL BE UNINTERRUPTED, ERROR-FREE, OR SECURE.

**Limitation of Liability.** EXCEPT FOR DAMAGES RESULTING FROM UNAUTHORIZED OR ILLEGAL USE OF THE SERVICE BY CUSTOMER, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS OR OTHER THIRD PARTIES, NEITHER PARTY (NOR ITS SUPPLIERS OR AFFILIATES) SHALL BE LIABLE TO THE OTHER PARTY FOR PUNITIVE, SPECIAL, CONSEQUENTIAL, INCIDENTAL, OR INDIRECT DAMAGES INCLUDING WITHOUT LIMITATION, LOSS OF BUSINESS PROFITS, OR OTHER COMMERCIAL OR ECONOMIC LOSS ARISING IN CONNECTION WITH THE SERVICES, EVEN IF THE PARTY KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.

EITHER PARTY'S MAXIMUM TOTAL LIABILITY TO THE OTHER PARTY IN CONNECTION WITH THE SERVICES, FOR ANY AND ALL CAUSES OF ACTION AND CLAIMS, SHALL BE:

- (A) FOR DAMAGES DUE TO FAILURES OR DISRUPTION IN THE SERVICES CAUSED BY THE PARTY'S NEGLIGENCE OR BREACH OF OBLIGATIONS UNDER THE AGREEMENT, INCLUDING THE ILEC PRODUCT GUIDE, THE CHARGES FOR THE AFFECTED SERVICES FOR THE PERIOD OF THE FAILURE;
- (B) FOR DAMAGES TO REAL OR TANGIBLE PERSONAL PROPERTY OR BODILY INJURY OR DEATH TO ANY PERSON PROXIMATELY CAUSED BY THE PARTY'S NEGLIGENCE, THE AMOUNT OF DIRECT DAMAGES PROVEN;
- (C) FOR INDEMNITY, THE REMEDIES SET FORTH IN THE SECTION ABOVE TITLED INDEMNIFICATION;
- (D) FOR ANY DAMAGES ARISING OUT OF THE WILLFUL OR INTENTIONAL MISCONDUCT OF THE PARTY, THE AMOUNT OF DIRECT DAMAGES PROVEN;
- (E) FOR ALL OTHER DAMAGES NOT SET FORTH ABOVE AND NOT EXCLUDED UNDER THE AGREEMENT, INCLUDING THE ILEC PRODUCT GUIDE, EACH PARTY'S MAXIMUM LIABILITY DURING ANY TWELVE MONTH PERIOD SHALL BE LIMITED TO THE LESSER OF (i) DIRECT DAMAGES PROVEN, OR (ii) THE AMOUNT PAID BY CUSTOMER TO VERIZON UNDER THE AGREEMENT, INCLUDING THE ILEC PRODUCT GUIDE, FOR THE ONE MONTH PERIOD PRIOR TO ACCRUAL OF THE MOST RECENT CAUSE OF ACTION.

NOTHING IN THIS SECTION SHALL LIMIT CUSTOMER'S LIABILITY TO VERIZON FOR ANY AND ALL CHARGES INCURRED FOR SERVICES.

**Termination of Services.** Verizon may discontinue or limit use of the Services by Customer for non-payment, non-compliance with Verizon's rules of use, fraudulent use, and other conditions as provided in the Verizon California Inc. General Exchange Tariff, Schedule D&R, Rule No. 11, as incorporated herein.

Termination of the Services, for any cause, shall not release Customer from any liability which at the time of termination had already accrued to Customer or which thereafter accrues for any act or omission occurring prior to the termination or from an obligation which, by its nature, survives termination.

**Performance Excused.** No liability, including but not limited to refund of Service charges, shall result from Service failures caused by fires, floods, severe weather, acts of government or third parties, strikes, labor disputes, inability to obtain necessary equipment or services, or other causes beyond such party's reasonable control.

**Notices.** Notices under this Agreement shall be sent by first-class U.S. mail, postage prepaid, to Customer at the address specified above, and to Verizon at Verizon Business, Attn: Customer

Service, 6415 Business Center Drive, Highlands Ranch, CO 80130, Email: [notice@verizonbusiness.com](mailto:notice@verizonbusiness.com) with a copy to Verizon Business Services, 22001 Loudoun County Pkwy, Ashburn, VA 20147, Attn: Vice President Legal. Notices shall be deemed effective five business days after such mailing.

**Universal Service Fund E-Rate Eligibility.**

- (a) Customer intends to apply for E-Rate funding under the federal Universal Service Fund for schools and libraries, and to use such funding to pay for a portion of the charges for Services and/or products under this Agreement ("E-Rate funding").
- (b) Customer shall be responsible for applying for and securing any E-Rate funding.
- (c) Verizon will use reasonable efforts, as permitted by the School and Library Division's ("SLD") established guidelines, to assist Customer in the application process. Customer is solely responsible for submission of any application for E-Rate funding and for ensuring the accuracy and integrity of all data and information submitted to the SLD in or with such application.
- (d) Verizon shall have no liability arising from its assistance efforts and Customer shall hold Verizon harmless in connection with any Verizon assistance or information provided to customer in the application process.
- (e) Should Customer qualify for E-Rate funding, Verizon or the Customer, as the case may be, shall seek recovery from the Universal Service Administrative Company ("USAC") of the approved amount of E-Rate funding of the charges for Services and/or products delivered, depending upon the Customer's preferred method of reimbursement and contingent upon Verizon's receipt of all necessary approvals (i.e., approved Funding Commitment Decision Letter and timely acknowledgement from the SLD of the Customer's submission of FCC Form 486).
- (f) If customer fails to qualify for or secure E-Rate funding or otherwise becomes ineligible for such funding or if SLD withdraws or cancels funding or USAC denies payment of any invoice submitted by Verizon, and Verizon is unable to obtain payment from USAC for the Services and/or products provided, Customer shall be obligated to pay one-hundred percent (100%) of the charges associated with such Services and/or products that are not paid to Verizon from E-Rate funding.

**Miscellaneous**

- (a) Neither party will disclose the terms of this Agreement to any other person without the prior written consent of the other party, except as may be necessary to comply with applicable law, regulation, or filing requirements. Either party may issue or permit issuance of a press release or other public statement concerning this Agreement provided its contents have been reviewed and agreed upon by the parties.
- (b) In the event of a claim or dispute, the law and regulations of the jurisdiction in which Verizon provides to Customer the particular Service that is the subject of such claim or dispute shall apply. This Agreement and its provisions shall not be construed or interpreted for or against any party hereto because that party drafted or caused that party's legal representative to draft any of its provisions.
- (c) Either party's failure to enforce any of the provisions of the ILEC Product Guide or the Agreement or to exercise any right or option is not a waiver of any such provision, right or option, and shall not affect the validity of the ILEC Product Guide or the Agreement. If any provision of the ILEC Product Guide or this Agreement or the provision of any Service under the terms hereof is illegal, invalid, or otherwise prohibited under applicable law or regulation in any State or jurisdiction, then the ILEC Product Guide and this Agreement shall be construed as if not containing such provision or requiring the provision of such invalid, illegal, prohibited, or unapproved Service in such State or jurisdiction, and the remaining terms and conditions of the ILEC Product Guide and the Agreement shall continue to apply as necessary to reflect the original intention of the parties.
- (d) Verizon may assign or transfer part or all of this Agreement to any affiliate or successor to substantially all of its assets in the locations where Service is provided hereunder. Upon reasonable prior written notice to Verizon, Customer may assign or transfer this Agreement to any company that is the successor to substantially all of its assets, provided all charges for Services provided prior to such transfer or assignment are paid in full when due. Except as

otherwise required by applicable law or regulation, all other attempted assignments shall be void without the prior written consent of the other party.

(e) Services are offered in locations where made available by Verizon in its sole discretion.

(f) The terms and conditions contained on a Customer purchase order document (whether signed by one or both parties) shall not serve to modify the terms and conditions of this Agreement.

The ILEC Product Guide, and this Agreement (including the Exhibits attached hereto and any Addenda made a part hereof) constitute the entire agreement between the parties with respect to the Services and shall supersede all prior oral or written quotations, communications, negotiations, representations, understandings or agreements made by or to any employee, officer, or agent of any party on the subject matter hereof. This Agreement may not be modified or rescinded except by a writing signed by authorized representatives of each party.

**Exhibit A**

**Verizon Company Name:** Verizon California Inc. (referred to in this Exhibit as "Verizon")

**State:** California

**Customer name:** All the offices and non-propriety departments of the City of Los Angeles.

**ICB Case No.:**

**1. Services and Quantity Commitments.** Customer agrees to purchase the following Services from Verizon at the rates set forth below, which will be fixed during the Service Period and in quantities set forth below for the Service Period identified below. Any other work, services or facilities required will be provided subject to Verizon's standard rates and charges as set out in the applicable ILEC Product Guide, or under a separate contract arrangement or formal amendment to the Agreement. Customer shall provide to Verizon at each Customer location a suitable and secure environment for placement of the facilities and equipment to be used by Verizon to provide such Service. Such environment shall include, but not be limited to, the requisite conduit and cabling, and, as required by Verizon for particular Services, an uninterrupted power supply.

Verizon shall provide IntraLATA Toll Service to Customer pursuant to this Agreement at the following rates, terms and conditions:

Location of IntraLATA Toll Service:

IntraLATA Toll Service shall be provided to Customer's Designated Locations in California set out in Attachment 1 to Exhibit A.

Customer may add Customer Locations for IntraLATA Toll Service during the term of this Agreement, provided that such other Customer Locations are within Verizon's incumbent local exchange carrier franchise service territory.

Description of IntraLATA Toll Service:

This Agreement covers all calls originating on the lines at the locations and under the billing telephone numbers (BTNs) of the Customer included in Attachment 1 to Exhibit A on either a(n) (a) direct dialed or (b) operator assisted basis.

For purposes of this Agreement, direct dialed calls shall include those dialed on a 1+ or 0+ basis and operator-assisted calls shall include those dialed on a 0- basis. Wide Area Telephone Service (WATS), mobile service, Verizon pay station, residential, lines with Handicap discount, Zone Usage Measurement (ZUM) Zone 3, and Local Usage Zones 1 and 2 are not applicable under this Agreement. Credit or calling card calls (0+) must be placed using a Verizon calling or credit card. Operator assisted calls (0-, third number billed or collect) shall be only those calls billed to a line or BTN set forth in Attachment 1 to Exhibit A for all the offices and departments of the City of Los Angeles.

Operator surcharges (0+, 0-, third number billed and collect calls) shall not be waived or discounted under this Agreement.

For purposes of meeting the annual minimum set forth below, the minutes of use for Verizon Business Line 800 calls terminating to a line number or BTN set forth in Attachment 1 to Exhibit A (or such other locations added for IntraLATA Toll Service as allowed in this Exhibit A) shall be included. However, Verizon Business Line 800 minutes shall be charged for at the rates published in the ILEC Product Guide.

All calls shall originate within one of the Local Access and Transport Areas ("LATAs") or Market Serving Areas ("MSAs") within the State of California, and terminate within the same LATA or MSA.

BTNs and Verizon usage covered by this Exhibit A are not eligible for other Verizon discount plans or promotional discounts.

IntraLATA Toll Carrier Selection:

Customer is responsible for taking any necessary action to select Verizon as its IntraLATA Toll carrier for all lines Customer wants covered under this Agreement. If Customer has not selected Verizon as its IntraLATA Toll carrier, all such calls will be handled by Customer's selected carrier at the carrier's prevailing rates and charges, the rates and benefits of this Agreement will not be available for such calls, and Verizon cannot apply the call usage toward the Customer's annual minimum minutes commitment set out in this Agreement.

**2. Rates and Charges.** The following rates apply to minutes of use covered under this Agreement, as set forth above:

	<u>Initial 18 Seconds</u>	<u>Each Additional Six Seconds</u>
Day/Evening/Night Rate:	\$0.0114	\$ 0.0038

The above charges do not include Federally mandated end user common line charges, any applicable local, state, or federal governmental or regulatory charges, fees, taxes, surcharges, or other ILEC Product Guide charges.

**3. Minimum Commitment.** This Agreement shall be for a minimum amount of five thousand (5,000) minutes of use per Contract Year ("Minimum Minutes"). All minutes of use associated with calls, as set forth above shall apply towards the Customer's total Minimum Minutes. A Contract Year shall be the three hundred and sixty-five (365) day period beginning with the in-service date, as set forth below, and ending the day prior to the anniversary of the in-service date.

**4. Shortfall and Termination Liability.**

- a. At the end of each Contract Year, Verizon shall determine the total number of minutes actually billed to the Customer for that year ("Actual Minutes"). If the Actual Minutes are less than the Minimum Minutes, Verizon shall determine the difference by subtracting Actual Minutes from Minimum Minutes. This difference will then be multiplied by \$0.038 and billed to the Customer in addition to charges billed to Customer based on Actual Minutes.
- b. If for any reason the Customer terminates or discontinues the Service prior to the expiration of the Term Period, at the time of discontinuance or termination of Service, Customer shall be charged the difference between the Actual Minutes billed and the Minimum Minutes commitment for the year of termination, plus forty percent (40%) of the annual Minimum Minutes commitment for each additional year of the term remaining unfulfilled. If Customer terminates this Agreement subsequent to the execution of this Agreement by the Parties but prior to the in-service date, Customer shall pay to Verizon all costs incurred by Verizon for contract and service preparation.
- c. Contract year-end adjustments, charges or credits, shall be separately billed to Customer and shall be payable within thirty (30) calendar days of the date shown on the bill.

**5. Service or Term Period.** Customer shall purchase such Services for a period of sixty (60) consecutive months from the in-service date. The in-service date shall be the date, after the Effective Date defined above, on which Verizon's provisioning has been completed and the Service is available for Customer's use.

**6. Additional Provisions**

- a. Conditions. The parties acknowledge that the rates and other terms of this Agreement are premised on Customer's commitments, unique network design requirements, and Customer's service mix, usage patterns and concentration, and other characteristics.
- b. Service Continuation. (i) If, at the time of expiration of the Service Period, a new agreement with Verizon for the Services is not effective as defined above and Customer has not requested, in writing, disconnection of the Services, then the Services will continue to be provided under the terms and conditions of this Agreement for the shortest term period available under the ILEC Product Guide for the Service, and Customer shall be subject to any applicable termination liability associated with such term period unless Customer terminates the Service within sixty (60) days of the end of the Service Period hereunder (the "Extended Service Period"). (ii) If Customer indicates to Verizon in writing that it desires to negotiate a new contract to continue or replace the Services provided for herein, this Agreement shall automatically be extended for a period not to exceed 60 days from the end of the initial Service Period to allow the parties to finalize a new agreement. Written notice must be provided by Customer at least 30 days prior to the end of the initial Service Period. For purposes of this paragraph only, written notice may be by facsimile or electronic mail.
- c. Facilities. Additional charges may be required if suitable facilities are not available to provide Services at any locations, or if any additional work, services, or quantities of Services are provided. In the event installation of additional network facilities is required to provide Services, Verizon will inform Customer of such applicable charges, and Verizon will install such facilities and provide such Services only upon mutual written agreement of the parties to such additional facility charges. If Customer does not agree to pay such additional charges, then Verizon will be excused from providing the affected Service. If no Service can be provided, then this Agreement will be subject to termination by Verizon without application of the termination charges described above.

CentraNet® and CentraNet® Voicemail Box Services shall be provided at the Billing Telephone Numbers (BTNs) and locations identified in Attachment 1 to Exhibit B for all the offices and departments of the City of Los Angeles.

Customer may add Customer Locations for CentraNet® and CentraNet® Voicemail Box Service(s) during the term of this Agreement, provided that such other Customer Locations are within Verizon's incumbent local exchange franchise service territory.

For Service in the fContel Local Exchange Service Areas, the EUCL in the Verizon Telephone Companies Tariff FCC No. 16, Section 4 will be applied.

If Customer terminates this Agreement subsequent to the execution of this Agreement by the Parties but prior to the in-service date, Customer shall pay to Verizon all costs incurred by Verizon for contract and service preparation.

**2. Service or Term Period.** Customer shall purchase such Services for a period of sixty (60) consecutive months from the in-service date. The in-service date shall be the date, after the Effective Date defined above, on which Verizon's provisioning has been completed and the Service is available for Customer's use.

### **3. Additional Provisions**

a. Conditions. The parties acknowledge that the rates and other terms of this Agreement are premised on Customer's commitments, unique network design requirements, and Customer's service mix, usage patterns and concentration, and other characteristics.

b. Service Continuation. (i) If, at the time of expiration of the Service Period, a new agreement with Verizon for the Services is not effective as defined above and Customer has not requested, in writing, disconnection of the Services, then the Services will continue to be provided under the terms and conditions of this Agreement for the shortest term period available under the ILEC Product Guide for the Service, and Customer shall be subject to any applicable termination liability associated with such term period unless Customer terminates the Service within sixty (60) days of the end of the Service Period hereunder (the "Extended Service Period").

(ii) If Customer indicates to Verizon in writing that it desires to negotiate a new contract to continue or replace the Services provided for herein, this Agreement shall automatically be extended for a period not to exceed 60 days from the end of the initial Service Period to allow the parties to finalize a new agreement. Written notice must be provided by Customer at least 30 days prior to the end of the initial Service Period. For purposes of this paragraph only, written notice may be by facsimile or electronic mail.

c. Facilities. Additional charges may be required if suitable facilities are not available to provide Services at any locations, or if any additional work, services, or quantities of Services are provided. In the event installation of additional network facilities is required to provide Services, Verizon will inform Customer of such applicable charges, and Verizon will install such facilities

and provide such Services only upon mutual written agreement of the parties to such additional facility charges. If Customer does not agree to pay such additional charges, then Verizon will be excused from providing the affected Service. If no Service can be provided, then this Agreement will be subject to termination by Verizon without application of the termination charges described above.
