Comments for Public Posting: Honorable Los Angeles City Councilmember Cedillo and the honorable rest of the Los Angeles City Council: As a Chinatown resident, I am deeply concerned about the impending renewal of the Chinatown Business Improvement District. George Yu has, time and again, displayed a lack of integrity that borders on the sadistic, from his flagrant disregard for the law to his ruthless antagonism of Chinatown's unhoused and low-income residents. BID does not serve the vast majority of Chinatown's population, but serves only a small, privileged minority. The enabling of George Yu and his criminal pursuits reflects poorly on you, Mr. Cedillo, and City Council at large. I sincerely hope you will find it in your hearts to stand up to BID and focus on uplifting Chinatown's working people. Thanks for your time Mason Allport
