To Whom It May Concern:

Monday, March 12, 2012: Full Board Meeting of the Hollywood United Neighborhood Council voted to support the Urban Beekeeping in Los Angeles.

9. Motion to support legislation to legalize urban beekeeping in Los Angeles and encourage city planning
Motion: Don Paul
Second: Scott Larson
Yea 16
Nay 0

Hollywood United enthusiastically supports the efforts of Urban Beekeepers in caring for and helping sustain such an important resource at a time when bee populations are degrading. Germany just banned the use of any pesticide that could negatively impact bee populations. The least that we can do in Los Angeles is to help support the Urban Beekeepers in their efforts at managing the urban Bee populations in a safe way.

Sincerely,

Susan Swan
