## URBAN BEEKEEPING INITIATIVE

Council File # 12-0785

Councilmembers,

On August 14th, 2012, the Van Nuys Neighborhood Council passed the following motion:

The Board of the Van Nuys Neighborhood Council urges the City of Los Angeles to legalize urban beekeeping in Los Angeles and encourages the City Planning Department to initiate an ordinance that would allow residents to raise their own honeybees, a practice that helps boost struggling honeybee populations and benefits the environment.

The motion was passed unanimously by all the members of the Van Nuys Neighborhood Council.

Thank you for your consideration of our Neighborhood Council's position on this citywide issue.

Sincerely,

George Christopher Thomas  
President, Van Nuys Neighborhood Council
