

Communication from Public

Name: Alec Beck - submission of 130+ signatures

Date Submitted: 10/11/2022 11:59 AM

Council File No: 12-1549-S21

Comments for Public Posting: Dear Council, Attached is a photo of a list of over 130 signatures of local action sports enthusiasts who are advocating for the recreation of the West LA Civic Center's world famous (not an exaggeration) skate-able features in a nearby space. The signatures were gathered during UCLA's Uncommon Public Space event co-sponsored by Tony Hawk's skatepark advocacy charity The Skatepark Project and the Los Angeles Conservancy, along with a few others. The event was created with the intent of discussing the history of the space and the value of accessible and equitable public spaces. We will deliver an event recap video to you as well. Please feel free to reach out to us if you have any questions. (310) 309-7118 Thanks, Alec

I SUPPORT THIS SKATE SPACE

I, the undersigned, support the re-creation of the world famous and beloved skate obstacles of the West LA Civic Center/Courthouse, at a nearby space for public recreation access.
