Summary: On October 1, 2015, the North Area Neighborhood Development Council (NANDC) board voted (7 yes, 0 no, 1 abstain) to support the creation of a sub-division policy for the neighborhood council system.

Our decision coincided with the support for the creation of the proposed Skid Row Neighborhood Council; the boundaries of which currently exist within the Downtown Los Angeles Neighborhood Council. We believe it is important to create a prudent and equitable process for under-represented communities to form new neighborhood councils when other measures have been exhausted.

With this letter, we offer our support FOR the creation of a subdivision policy.

Brett Shears, Chair, Policy Committee, North Area Neighborhood Development Council
