AN EQUAL EMPLOYMENT OPPORTUNITY - AFFIRMATIVE ACTION EMPLOYER

Starting in 2012, I have been trying to ask for help in a major problem I have been having at the building, specifically related to the parking lot on 6th & Vermont.

I have had to make accommodations for tenants, accept late rent, allow lease cancellations, suffer from prolonged vacancy, etc, due to the people who sleep in the parking lot at night.

Many female tenants have complained about being harassed, talked to, followed, or even have their windows knocked on.

there are many times our cleaning crew has to remove human feces from the front & back door of our apartment building entry.

I want to continue providing a safe and luxury place for my residents but it's hard to convince them to rent my apartment, or continue to stay, when their health and safety are put to the test daily.
